INSTRUCTIONS TO STATED CLERKS.

- (1) Do not write a line until you have all your matter prepared.
- (2) Write with pen and ink, and write plainly. Do not use *pale* ink.
- (3) Arrange names of Ministers, Licentiates, and Candidates *alphabetically*. Do not forget this.
- (4) When you get to the "Statistical and Financial" page or pages, do not fail to arrange names of *Congregations* alphabetically. THIS MUST BE DONE.
- (5) Do not undertake to fill the columns set apart for the several Boards of the Church. Leave those *blank* in your report, for they will have to be filled out from data furnished by the Boards themselves. The Stated Clerk of the General Assembly will look after those columns.
- (6) Insert dollars and cents in column "*Children's Day Collections*" and in column "*Dues to Presbytery*." Do not put *cents* in any other column.
- (7) Add the figures in all the columns on "Statistical and Financial" page or pages (except column 5) and *verify* the same. This *must* be done by you, or you *must* get a competent accountant to do it. All the Presbyterian bodies in the land require this of Stated Clerks of Presbyteries. Do not send your report until this has been done.
- (8) In the column "*Total Contributions*," put figures in *pencil* marks, for the Stated Clerk of the General Assembly will have to add to them the contributions from the several Boards. By putting that column in *pencil* marks the figures can be erased. Please do not overlook this request.
- (9) Send list of Commissioners as soon as they are elected, and send it in a small envelope *not* in the large one which you will find inclosed, for it is for you to use in sending your report.
- (10) Send Contingent Tax as soon as you collect it. Let it reach me *before* May 1, or your Presbytery will be reported delinquent. The "tax" is \$2.00 on each *ordained* minister. (See Minutes, 1890, page 36.)
- (11) If a Church is without a preacher, write the letter V after the name of the congregation, and if it has done nothing, let its name stand opposite *blank* columns. But by all means report name and address of Clerk of Session, *number of members*, and all else you may know.
- (12) Persist in your efforts until you get a report from each congregation. If necessary you can withhold your report until May 10. But if you can get it ready earlier, do not fail to send it as soon as it is completed.
- (13) You will see that by this new method of obtaining statistics, ordered by the General Assembly, *your* labors are greatly increased, and those of the Stated Clerk of that body are increased more than a hundred-fold. You will also see that unless your Presbytery is reported it will appear in the Minutes simply as a *blank*. There is no help for such an exhibit, according to the "new form."
- (14) Finally. Your heaviest labor will be the *first* year, for when you once get the names of your *congregations* alphabetically arranged and those of your *Sunday-school Superintendents* arranged as required on the last page of Presbyterian blanks, you can get the same the *next* year, with a few alterations, from the Minutes of the General Assembly.

UNFINISHED BUSINESS—MISSIONS.

The unfinished business of the morning session was taken up, and the report of the Committee on Missions was amended and adopted, and is as follows :

REPORT OF THE COMMITTEE ON MISSIONS AND CHURCH
ERECTION.

Your Committee on Missions and Church Erection submit the following report :

The population of Christendom is about 390,000,000. Of these perhaps 200,000,000 are communicants of some branch of the Church of Christ. All the others, or about 190,000,000, are proper objects of Christian endeavor.

The heathen and Mahometan nations of the earth number about 1,026,000,000, all of whom are proper objects of missionary labor. The Christian Church, therefore, faces the colossal task of preaching the gospel to 1,216,000,000 souls together with their posterity.

Referring to this multitude, Jesus said, "Go ye into all the world and preach the gospel to every creature." Can we do it? Of course we can; else we would not have received this commandment.

We need for this work: 1. The power of the Holy Spirit. Human strength and resources are insufficient. All needed help is vouchsafed to us. Jesus said, "If ye then, being evil, know how to give good gifts to your children, how much more shall your Father which is in heaven give the Holy Spirit to them that ask him." If, then, we are without this Spirit it is our own fault.

2. Men. These God is ready to call; else we would not have been taught to pray the Lord of the harvest to send forth more laborers. Then if there is an insufficient supply of laborers it is the fault of the Church.

3. Money with which to supply and sustain the laborers. This God has already given in rich abundance. If it is not forthcoming for this work it is owing to the unholy selfishness of God's people, or, in other words, because they daily rob God.

Our conclusion, therefore, is that if the world is not speedily evangelized it will be the fault of the Christian Church alone. What tremendous responsibility! Dare the Cumberland Presbyterian Church shrink from the task or try to evade the work? We can not escape it. We must either accomplish it or incur the shame and guilt of failure.

We have had referred to us the report of your Board of Missions and Church Erection, together with various memorials, resolutions, etc., pertaining to the subjects committed to us. We have been much interested in

the study of the past year's record and the general condition of the work at the present time.

We commend the consolidation of the Boards of Missions and Church Erection, and ask you to approve the same. The long and faithful services of the President of your Board, Rev. C. H. Bell, D.D., who has during the year retired from the work of personally directing our missions, and the vigorous and efficient labors of the present Secretaries of the Board, Revs. J. H. Miller and S. Finis King, have been invaluable to the Church, and should not fail to awaken our sincere gratitude.

The work of your missionaries in Japan seems to be blessed of God. The Churches there have received an encouraging number of accessions, and in many ways the cause of Christ has been advanced. It has been a year of violent political agitation, disease, and earthquakes in that land. We lament the loss, by death, of some valuable native helpers, and that our force of missionaries has been reduced by the enforced return of some of them to this country for the sake of health; yet we rejoice to learn that these are soon to return, and others are to be sent out as soon as possible in answer to the almost painful cry for more laborers.

The representatives of your Board in Mexico are holding on with commendable tenacity. This is the day of small things with them, but, true to Bible instruction, they are not discouraged. Here, as in almost all fields, there is an imperative need of more laborers.

Other nations beyond the sea are in sad need of the gospel, and should receive it at our hands. How dreadfully slow we are! Think! Nearly a hundred thousand souls perish without Christ every twenty-four hours, or about sixty-eight every minute. More than a half a million have gone into eternity since the Cumberland Presbyterian representatives began to assemble in the city of Memphis. How can we move so slowly?

Turning from heathendom to Christendom, we are impressed that there is much land here yet to be possessed. Progress is being made, we are glad to say. A number of your Home Mission Churches, namely, San Antonio, Texas; Eugene, Oregon; and Stockton, Cal., have become self-sustaining, and now stand in the ranks for the promotion of the work elsewhere. We are deeply gratified at these signs of progress, but it seems to your committee that there are some other Churches under the care of your Board which ought to be brought to self-support at an early day. Some of these were on the Board's list of missions before some of those now self-sustaining, and were surrounded with more favorable circumstances. We therefore urge that they be encouraged to dispense with the Board's assistance as soon as at all possible.

The brethren in the Indian Territory have shown commendable courage in determining that Churches composed of English-speaking people will hereafter be self-sustaining and all missionary funds shall be devoted to work among the full-blood Indians.

Destitute fields in almost every State and Territory in the United States are calling for the gospel at the hands of the Cumberland Presbyterian Church. You can not too strongly emphasize the importance to the Church and the country of our speedily and fully answering these calls. The voice of patriotism, the voice of coming generations, the voice of perishing souls, and the voice of God call upon us to arise and evangelize the land.

In this connection we are impressed with the urgent demand for an adequate Church-Erection Fund. The offerings for this cause have not been as liberal as they should have been, and the work at many points is greatly retarded for the want of a little help in erecting buildings. We are glad, however, to note a quickened interest on the subject, and are hopeful that soon the Church will come up to the demands of this department of the work. We heartily approve the effort to establish a Church in the city of Chicago and in San Francisco, and we rejoice in the success which has attended said effort.

With all the foregoing before us we submit the following recommendations:

1. Referring to the memorial from New Hope Presbytery asking for the severance of your mission from the Church of Christ of Japan, we recommend that the present relation be left undisturbed. This recommendation is based upon the fact that the union of your mission with the other Presbyterian Churches in Japan was formed in compliance with the instructions of a former General Assembly, that the Confession of Faith of the Church of Christ in Japan in no way conflicts with that of our own Church, that its government is substantially Presbyterian, that it conforms to the custom and standard of our own Church in inducting men into the ministry, that the union does not interfere with the tabulation of the results of the work, that the results of the union are highly satisfactory both to your missionaries and to the native Churches; so that the dissolution of it, it is thought, would prove disastrous to the work of the Cumberland Presbyterian Church in that country.

2. That you authorize the Board to keep in their employ one man to be known as Corresponding Secretary, who shall perform the duties belonging to that office, and another to be known as Superintendent of Missions, who shall have the general oversight of the work, shall look out new mission points, visit Synods, Presbyteries, and congregations, and in every possible way increase the income of the Board and promote the spirit of missions throughout the Church.

3. That you commend the custom of visiting the Home Mission points, and that you instruct the Board to provide as far as possible for an annual visit by a representative of the Board to each home mission.

4. That you instruct your Board to secure, at the expense of employing approved authors if need be, and have published such addresses, tracts, etc., on the subject of missions as will be useful in educating our people on the subject. The need of a live missionary literature is imperative, and there should be as little delay as possible in securing it.

5. That the appointment of special days of prayer for missions be left to the Board, and when such days are appointed due and timely announcement be made to the Church through the columns of the Church papers.

6. That the day preceding the next meeting of the General Assembly be known as "Missionary Day," and the Board be requested to prepare a programme of exercises; also that Synods, Presbyteries, and congregations be requested to observe similar days and conduct similar meetings.

7. That Young People's Societies of Christian Endeavor and Sunday-schools be asked to make offerings to the different departments of the Board's work in the periods set apart thereto, and that the Board be

instructed to make a special exhibit of said offerings, and that they shall not be placed in the table of offerings by congregations.

8. Referring to several memorials referred to us, we recommend that you rescind the act of the last General Assembly instructing the Board to return to such Presbyteries as call for it one fourth of their offerings to the cause of Home Missions.

9. That you commend the present system of presbyterial secretaries and corresponding members of the Board, and that you urge these auxiliary officers to diligence and faithfulness in the performance of their duties, and that, if deemed expedient, the corresponding members be invited to attend the annual meeting of the Board.

10. We concur in the recommendation of your Board that they be "authorized to employ synodical missionaries in each Synod and group of Synods, said missionaries to be under the joint control of the Board and synodical committee, who shall determine their duties, fix their salaries, and adopt methods assuring their support."

11. That you adopt the recommendations of the Board relative to the rules under which Church-Erection Funds shall be loaned, found on page 15 of the Board's Report, which are as follows:

"8. We recommend that in lieu of all other and former actions of the General Assembly, regulating the lending of the Church-Erection Fund, the following be authorized as the rules under which the said fund shall be loaned by this Board:

"(1) The Board shall at discretion lend such sum or sums as it may deem wise, for the purpose of building a church house at any mission station in the home field that may be under its care, but such loan shall be made only on the condition that the unencumbered fee simple title of a lot, upon which said church is proposed to be built, shall be first legally conveyed to said Board.

(2) The Board may, at discretion, lend such sum or sums as it may deem wise to a congregation not a mission station, upon good personal security. Provided, that in no case shall any loan be made for a longer time than one year, except on good real estate security.

(3) No more than the interest of that part of said fund, loaned to any congregation shall be permanently donated to said congregation.

(4) No part of said fund shall be loaned to any congregation, except on the condition that said congregation shall first enter into a contract with the said Board to repay the sum or sums so loaned in such installments and at such times as the said Board may determine. Provided, that no loan shall be made for a longer time than five years."

12. That you call on the Church for fifty thousand dollars for the work of the Board.

13. We reiterate the recommendations of previous General Assemblies with reference to the great Northwest.

14. That you advise that business laymen be used on presbyterial and synodical committees for Church Extension as far as practicable.

15. We commend the zeal and success of the Corresponding Secretary of the Board of Church Erection in securing contributions for "Memorial Funds," having already four hundred dollars on the Rev. R. D. Morrow fund and one hundred and seventy dollars on the memorial fund of Rich-

ard Beard, D.D. We recognize that there is no more appropriate monument that we can erect in memory of our deceased friends than that of a permanent fund for building churches. Therefore we recommend that this matter be pushed with judicious energy till many of our noble workers gone before shall be thus honored. W. H. BLACK, *Chairman.*

SPECIAL ORDER—JUDICIARY.

On motion, the report of the Committee on Judiciary was made the special order for 8 o'clock P.M. to-day.

REPORT OF COMMITTEE ON MINISTERIAL RELIEF.

The Committee on Ministerial Relief presented its report, which was adopted, as follows :

Your Committee on Ministerial Relief would report that this important interest has been prayerfully considered. In view of the excellent report of the Board, it seems superfluous to add more; and yet we can scarcely refrain from doing so, for our hearts are full. Feelings of mingled pleasure and regret arise as we consider the subject matter of that report. When we think of the good that has been accomplished, and of the loyal congregations and individuals by whom it was accomplished under God's blessing, a benediction arises in our souls and seeks for utterance. When we think of the fifteen hundred congregations that have not helped in this glorious work, and especially of the eight hundred that can have no excuse save negligence, the feeling of regret intrudes upon our joy, and shame reddens the cheek of exultation. If we inquire who is to blame in these delinquent congregations, we are constrained to answer, the official members, the pastors, and elders. A cause so manifestly in accordance with our heavenly Father's will can never fail of acceptance with his people, and all they lack is opportunity to give. As an ambassador of Christ the minister is the representative of Christ in the world. As an official member of the Church he is the representative of the Church also. Loyalty to Christ, therefore, on the one hand, and respect for self on the other, are manifested by the Church when it honors the ministerial office. This loyalty and self-respect couple themselves with a deep sympathy for the Savior when our kind offices are given to his aged and enfeebled servants. It is a real pleasure to revert to the early days of Christianity and see how writers of the post-apostolic age, such as Clement, Ignatius, and others, associated loyalty to Christ with loyalty to the pastor. God would not suffer the ox to be yoked up for labor and then muzzled so that he could not eat. He will not care for oxen and suffer the minister of the gospel to go unrequited. Under the gospel as under the law, it is a sin to forsake the Levite. If he that is taught in the word refuses to "communicate" unto "him that teacheth," God's authority is ignored and "sin lieth at the door."

While the meed of praise, "Well done," is awarded to those who have honored God in this matter, the rebuke of "slothful servant" must be given to those who have willfully or negligently failed. If patriotism pensions the disabled soldier from a sense of gratitude, if juriconsuls and teachers meet with this consideration at the hands of earthly governments by law, much the more shall the kingdom of Christ pension the soldiers of

the Cross and afford shelter and protection to its aged and enfeebled teachers and doctors of the law. It must be so, and it will be so when the people are instructed and there are no negligent pastors and elders to block up the highway of opportunity. What a glorious day that will be when every communicant of our own loved Zion shall bring this offering to the Lord, and the munificence of the people must be stayed because there is enough and to spare.

With reference to the suggestions and appointments of the Board we recommend:

(a) That the appointment of Rev. W. J. Darby, D.D., as Corresponding Secretary be approved.

(b) That the election of James M. Davidson, C. F. Hopkins, David A. Nisbet, and J. C. McClurkin to fill vacancies occasioned by the resignations of Hon. Alvah Johnson, Rev. W. J. Darby, D.D., Elder B. Bransford, and Rev. J. S. Grider, D.D., be ratified.

(c) With reference to the Woman's Department we recommend that you authorize the Board to take such steps as they may deem necessary to fully secure the co-operation of the women of the Church, and in this connection we would specially commend those dear sisters who have already interested themselves in this work.

(d) We recommend that you instruct the Board to make an earnest effort to secure from every Sabbath-school and Young People's Society of Christian Endeavor in your bounds at least one annual offering in this direction, that the hearts of the young may be enlisted and their hands trained to help in this work.

(e) As our people need information relative to the work of this Board, and as the publication of the Board's annual report is a very good means of giving this information, we recommend the publication of the same in form convenient for circulation.

Your committee heartily commend the efficiency of the Board and the intelligent zeal manifested by its members in this great work.

And now, brethren, as Boards, as Church courts, as official and lay members of our holy communion, forgetting the things that are past, though excellent and soul-stirring they may be, let us press forward unto perfect efficiency in this blessed work, until we can look up into the face of our heavenly Father and say, in the sweetness of joyful submission, Father, we have befriended the Levite according to thy commandment; let now thy blessing rest upon thine Israel.

Respectfully submitted.

W. H. BERRY, *Chairman.*

REPORT OF COMMITTEE ON JUDICIARY (No. 1).

Your Committee on Judiciary report that they have carefully considered the memorial from Rushville Presbytery, together with the report of the Committee on Judiciary of the last General Assembly, recorded in the Minutes of that body (p. 11), all seeking a deliverance on the question as to whether, under any circumstances, a woman may be ordained and installed to the office of Ruling Elder; and we respectfully recommend that you declare that under the Constitution of the Cumberland Presbyterian Church a woman may not, under any circumstances, be ordained and installed to the office of Ruling Elder.

R. A. HILL, *Chairman.*

MINORITY REPORT OF COMMITTEE ON JUDICIARY (No. 1).

The undersigned, a minority of your Committee on Judiciary, to whom was referred the memorial from Rushville Presbytery, together with the report of the Committee on Judiciary of the last General Assembly, recorded in the Minutes of that body (p. 11), all seeking a deliverance on the question as to whether, under any circumstances, a woman may be ordained and installed as Ruling Elder, would most respectfully tender this minority report, dissenting very respectfully but also very earnestly from the report and recommendations of the majority.

The only ground upon which the report of the majority can stand is that the Constitution of the Cumberland Presbyterian Church does not affirmatively provide that women may be ordained as Ruling Elders. The minority insists that this construction does violence to the genius of the government and the spirit of the Constitution of our Church. It is here insisted that the proper construction of the organic law of our Church is, that any and every thing pertaining to the local government of individual congregations, and conducive to the spiritual welfare and happiness of such congregations, or the individual members of the same, may be done by them, unless it is contrary to the teachings of the Holy Scriptures or prohibited by the Constitution.

There being no such prohibitory law against the ordination and installation of women as Ruling Elders, the minority respectfully recommends that your reverend body declare that the same may be done where it shall appear needful.

H. H. BRICO.

REPORT OF COMMITTEE ON JUDICIARY (Nos. 2, 3, 4, 5, 6, 7).

The Committee on Judiciary presented the following reports, which were adopted :

REPORT OF COMMITTEE ON JUDICIARY (No. 2).

Your Committee on Judiciary report that they have carefully and prayerfully considered the memorial from Gregory Presbytery, Synod of Texas, and the protest from members of that Synod, raising this question, "Has a Presbytery the right to license exhorters (or lay preachers) to exercise their gift in public, who ask for presbyterial authority to do so."

This question is not altogether free from difficulties, and upon its proper answer depend grave consequences.

Your committee recognize in the Constitution of our Church two kinds of licensure; one is expressed, the other only implied.

The expressed license is that which is set forth and treated of in sections 50 to 54, inclusive, of the Constitution, and is a step toward ordination to the holy office of the gospel ministry and can, in the opinion of your committee, only be granted to candidates or applicants for ordination to that holy office.

The implied license is that right by which laymen in the Church perform the duties required of them by the Church, and this may or may not be a step toward ordination.

Among the duties required of laymen, in section 6 of the Constitution we find that they shall read the Scriptures and *exhort* in public. For this purpose the Church-session, under certain circumstances, shall convene their congregations on the Lord's day, and the inference is clear that the Session may select the particular person to conduct the service—to read or exhort.

But the same section of the Constitution also provides that "in like manner Christians whose lot is cast in destitute regions ought to meet for the worship of God."

Such "Christians" are often without a Church session, or a single elder, or even a single member with the gift to properly hold such public service, and in many instances could not comply with this requirement of the Constitution unless some Church-session should send them a suitable person for that purpose.

But by section 25 of the Constitution the jurisdiction of a Church-session is expressly limited to "a single Church," and it can therefore not exercise such authority beyond its own congregation. It follows that, unless Presbytery has this right, some of the requirements of the Constitution can not legally be carried into effect.

Your committee, therefore, are of opinion that a Presbytery has the right to authorize laymen to hold such public services, in other words, to grant to laymen the license implied in the Constitution, and in this sense has a right to license "exhorters" or "lay preachers," and they recommend that this General Assembly make a deliverance in accordance herewith.

R. A. HILL, *Chairman.*

REPORT OF COMMITTEE ON JUDICIARY (No. 3).

The Committee on Judiciary respectfully report that they have considered the protest and answer from the Synod of Texas, on the following facts, to wit: Buffalo Gap Presbytery amended its by-laws so as to require "all ordained ministers applying for membership in said Presbytery to submit to an examination on literature and theology previous to admission."

This amendment, having been brought to the notice of Synod through its Committee on Presbyterian Minutes, was declared "unwarranted by the Constitution of our Church."

The record seems to raise two questions: first, Could Synod take jurisdiction of the case in the manner it did? and secondly, Was the action of Synod right and proper in declaring said amended By-law unconstitutional?

We are of opinion that the action of said Synod in the premises was right, and recommend that it be sustained. R. A. HILL, *Chairman*.

REPORT OF COMMITTEE ON JUDICIARY (No. 4).

The Committee on Judiciary respectfully report that they have examined the record in the case of D. E. Wood, appellant from the decision of the Synod of Missouri.

This is an appeal by D. E. Wood, a member of Ozark Congregation of Ozark Presbytery, from a deliverance by the Synod of Missouri.

Charges of profanity were preferred against D. E. Wood before the Church-session of Ozark Congregation, and a finding was made by the Church-session sustaining the charges.

The appellant prosecuted his appeal to the Ozark Presbytery, by which the finding of the Session was sustained, and from the Presbytery he prosecuted his appeal to the Synod of Missouri.

The finding of the Presbytery was sustained by the Synod. The case is before you upon the appeal from the Synod.

The Committee on Judiciary, after an examination of the evidence and proceedings in this case, find that no injustice has been done the appellant in the proceedings of the various Church courts, that the proceedings are regular, and that the evidence sustains the charges made in the first instance, and we therefore recommend that the action of the Synod be sustained.

R. A. HILL, *Chairman*.

REPORT OF COMMITTEE ON JUDICIARY (No. 5).

The Committee on Judiciary, to whom was referred the appeal of Tabor Congregation of the Texas Synod, would state that Tabor Church of Guadalupe Presbytery in 1890 applied in the first instance to the Texas Synod to transfer Tabor Congregation from the Guadalupe Presbytery to the Colorado Presbytery. In compliance with said request Texas Synod transferred said congregation to the Colorado Presbytery. Afterward, in 1891, upon an application of the Guadalupe Presbytery, the Synod of Texas rescinded its former action transferring said Tabor Congregation to the Colorado Presbytery.

The committee, after a consideration of all the facts, find:

1. That the Synod has original jurisdiction, upon the application of a Church or a number of Churches, to change the boundary lines of a Presbytery and to transfer one or more congregations from one Presbytery to another, and that the Synod in its first deliverance upon the question under consideration did not exceed its powers.

2. The committee further find that by the action of the Synod rescinding at a subsequent session its action in the first instance leaves the memorial of Tabor Congregation before the Synod.

3. The committee recommend that the said Synod of Texas transfer said congregation to the Colorado Presbytery in accordance with the memorial and request of Tabor Congregation.

R. A. HILL, *Chairman*.

REPORT OF COMMITTEE ON JUDICIARY (No. 6).

The Committee on Judiciary, to whom was referred the memorial of J. R. Brown, D.D., would respectfully report that since the reference of the memorial all differences between J. R. Brown, D.D., and the Board of Publication have been settled in a spirit of good will and Christian fellowship.

R. A. HILL, *Chairman.*

REPORT OF COMMITTEE ON JUDICIARY (No. 7).

Your committee to whom was referred the question as to whether the Trustees of the General Assembly should be authorized to execute a quitclaim deed to Mrs. Talitha Ross, widow of Rev. R. L. Ross, deceased, to the estate, real and personal, bequeathed and devised to her respectfully report that we have examined the matters submitted and find that the will of said R. L. Ross vested in his widow, Talitha Ross, a complete legal title to all his estate, real and personal, with the request that she assist the Cumberland Presbyterian Church in her work of benevolence and usefulness as God in his providence may prosper her, and at the close of her life make that Church her heir. This request does not affect her title, but, as purchasers have doubts as to her having a fee simple title, we recommend that the Board of Trustees be authorized to execute the quitclaim conveyance as above.

R. A. HILL, *Chairman.*

REPORT OF COMMITTEE ON PUBLICATION ADOPTED.

The General Assembly resumed its consideration of the report of the Committee on Publication and Sunday-schools, which was amended and adopted, and is as follows:

MODERATOR AND BROTHEREN: Your Committee on "Publication and Sunday-schools," having had before them the report of the Board of Publication, a memorial from Colesburg Presbytery, the several resolutions offered upon the floor of this General Assembly, together with the representatives of the Board of Publication and Sunday-school work, respectfully submit the following:

We rejoice with you in the increasing prosperity of the Publishing Department of our Church and congratulate you on the good results of the general management of your Board.

THE PUBLISHING HOUSE,

which has been for years a great need of our Church, and for which the Board has labored so patiently, is at last a reality. This building is eminently adapted for the uses for which it has been erected, and is a monument to the earnestness and fidelity of the Board and an honor to the Church.

We have also carefully examined the financial statement and balance sheet of the Board, and express our hearty satisfaction with this showing in the work of publication. We recommend that you concur in the

election of Mr. Selden Williams as a member of the Board and the selection of Jno. M. Gaut, Esq., as General Manager.

Considering the great work your Board has done during the past three years, and especially under the financial depression of the last year, the heartfelt thanks of the Church are due said Board for their fidelity in this important department of our work. We also commend the fidelity, earnestness, and zeal of Rev. M. B. De Witt, D.D., as General Superintendent, and especially his exhaustive statistical report.

We are grieved that the *Cumberland Presbyterian Review* does not receive the hearty patronage which it deserves from the Church. We have carefully considered the recommendation of the Board "that this periodical be discontinued," and recommend:

1. That the Board shall be authorized to use its own discretion in the matter.

2. (a) We rejoice in the steady improvement and uniform excellence of the *Cumberland Presbyterian*, the weekly paper of the Church.

(b) We are also glad to note that the Board is considering plans for increasing the circulation of the *Cumberland Presbyterian*, and we recommend the offering of club rates as a means to that end.

(c) We would further recommend that the Board exercise greater care in the acceptance of advertisements, both as to quantity and quality.

BOOKS.

3. The Church is to be congratulated on the excellence of the books issued by the Board. "The World and How to Take It," especially, should be in every home, and its precepts in every life.

4. In accordance with resolutions referred to us, we recommend the publication of the Confession of Faith in as cheap a form as possible, for general distribution, and the preparation and publication of short tracts and leaflets upon the cardinal doctrines of our Church.

SUNDAY-SCHOOL PERIODICALS.

5. We note with great pleasure the growing circulation of our Sunday-school periodicals, and we think that the time has come when the Church will appreciate and respond to measures that will make them still more efficient and popular. The various departments of our Sunday-schools are better organized and classified than heretofore, and must be better equipped. That this end may be reached we offer the following recommendations:

1. That the Board employ for the whole time a competent editor of the Sunday-school literature.

2. That the "Lesson Helps" be more accurately graded, and that the various grades be designated by the names in common use among Sunday-school workers.

3. That the Board add one more grade to the Lesson Helps now published, making in all four grades, as follows:

(1) *Our Lambs*, for the smaller primary classes.

(2) A Primary Quarterly, for the higher primary classes, to occupy a grade between the *Rays of Light* and *Our Lambs*.

(3) An Intermediate Quarterly, by simply changing the name of *Rays of Light*.

(4) An Advanced Quarterly, by changing the name of *Comments*.

6. That the *Bible Study* be made a Teachers' Monthly, covering in its lesson helps the four grades enumerated above, from a teacher's point of view, with such additional matter as may seem necessary.

7. That the Board be instructed to publish the *Sunday-school Gem* as a weekly paper, instead of semi-monthly, and if practicable to secure the consolidation of the *Missionary Banner* with the weekly *Sunday-school Gem*.

GENERAL SUNDAY-SCHOOL WORK.

Your committee regret that the results of the Sunday-school work intrusted to your Board are not as satisfactory as the periodical department. We recommend, however, that you do not approve the recommendation of the Board that this work be taken out of their hands and given to a permanent committee to have charge of the General Sunday-school work, including the appointment of a General Superintendent.

After prayerful consideration, we suggest the following:

1. That the Sunday-school work of our Church is naturally divided into two parts: *First*, the office work in the preparation and publication of a suitable Sunday-school literature; *Second*, the field work in organizing, equipping, and building up the Sunday-schools of our congregations. These two parts go hand in hand, and in their practical results are inseparable. The General Superintendent, the Synodical Superintendent, the Presbyterial Secretaries, the pastors, the Sunday-school superintendents, and the teachers are all either helped or hindered in their work by the character of the literature used. To place the field work in the hands of a committee apart from the Board, and leave the office or publication work, or both, in the hands of the Board, we believe would result disastrously to the Sunday-school cause in our Church, and we therefore recommend that the same head shall direct both arms of the work.

2. The Board of Publication shall make all laudable effort toward raising a Sunday-school fund for the prosecution of its work:

(1) By creating, through the labors of its General Superintendent, a greater and more enthusiastic celebration of the annual Children's Day for Sunday-schools.

(2) By urging larger Children's Day offerings, and in other ways to increase the offerings for this cause.

3. That the General Superintendent of Sunday-schools be required to devote his whole time to his work, under the direction of the Board, and that his entire salary be paid out of the Sunday-school fund.

4. The remainder of the Sunday-school fund shall be used to assist in the employment of the Synodical Superintendents, where such exist; in the employment of Sunday-school missionaries in the smaller Synods; in defraying the expenses of the Presbyterial Secretaries, and as rapidly as possible, it is hoped, the proportionate ratio of assistance may be increased.

Respectfully submitted.

D. E. BUSHNELL, *Chairman*.

The General Assembly then adjourned till 8.30 o'clock to-morrow morning, and closed with prayer.

SEVENTH DAY.

THURSDAY, May 26, 8.30 o'clock A.M.

The General Assembly met and was opened with prayer.

One half hour was spent in devotional exercises.

The Minutes of yesterday's sessions were read and approved.

The Committee on Overtures presented their report, which was amended and adopted, and is as follows:

REPORT OF COMMITTEE ON OVERTURES.

1. We have considered a memorial from Guthrie Presbytery, praying for the consolidation of all the Boards of our Church into one, and also that said Board be located at Nashville, Tennessee. Your committee, after careful deliberation, are of the opinion that such consolidation would be unwise and impracticable. We therefore recommend that the prayer of said memorialists be not granted.

2. A paper has been referred to us denominated, "A Memorial from Hopewell Presbytery," which is not attested by any official or signed by any member of said Presbytery. We are, therefore, of the opinion that said paper is not properly before us for our action.

3. Your Committee has considered memorials from the Presbyteries of Elk, Obion, Platte, Wabash, and Yazoo, praying for, or approving, the consolidation of the Boards of Missions and Church Erection, and asking that the consolidated Board be allowed only one corresponding secretary. The Boards of Missions and Church Erection are already in process of consolidation, and it is the sense of this committee that the consolidated Board should be allowed to exercise its own judgment of the necessity for one or two secretaries, and therefore we so recommend.

4. Your committee has considered the memorial from Kirksville Presbytery, asking that you rescind all former acts of the General Assembly, stipulating, upon certain conditions, to refund a part of the offerings for Missions to the several Presbyteries. We recommend that the petition of said memorial be concurred in and these acts repealed.

5. We have received the memorial from Platte Presbytery, asking that the General Assembly instruct its several Boards not to employ any minister of the gospel as corresponding secretary or other salaried officer. Your committee recommend that you reply that it is not advisable to take men from your active ministry and employ them in other work, but that further than this it is left to the discretion of the Boards to employ whom they may think best.

6. A memorial from McGee Presbytery, asking the General Assembly to appoint a committee to revise the Catechism of our Church, making it simpler in form and language, has been duly considered. It is the sense of your committee that it is not advisable, at present, to make any change in the Catechism as found in our Confession of Faith, and we recommend that you so declare.

7. We have before us the memorial from Platte Presbytery, asking this General Assembly to recommend to the Presbyteries that they require their Stated Clerks to report all money expended in their respective bounds for the cause of Education, to the General Assembly's Board of Education, and that said Board be required to include the amounts so reported in its annual report to the General Assembly. After due consideration, we recommend that the petition of said memorial be granted.

8. We have considered carefully the memorials from Mackinaw, Indiana, Platte, and Memphis Presbyteries, relating to the establishment of another theological Seminary. We heartily agree that the establishment of such a Seminary is very desirable, and should be considered as soon as this General Assembly shall deem it practicable. We are not quite sure that the time has come when our Church can with propriety and hope of success enter upon such a formidable undertaking. There are a number of difficulties which present themselves to us—

(1) We think that it will be of doubtful wisdom to undertake to establish another Seminary until the existing one is better equipped and endowed. Let us preserve what we have with the same care and assiduity that we use in securing that which we have not.

(2) Our various literary institutions are very inadequately endowed and equipped, and all are using every endeavor to place themselves in a better condition to serve the Church in the education of its youth. An effort now to found another Theological Seminary will make it more difficult for them to secure the funds which they need.

(3) To establish a Seminary in a city will require a large sum of money. Lots will have to be purchased and buildings erected at a great expense, and a large endowment will have to be secured with which to sustain the faculty. We know of no source whence such funds can probably be obtained at present.

In view of these difficulties we recommend—

First, That this General Assembly foster, encourage, and support its Theological Seminary at Lebanon, Tennessee, which, with so little means, has done such a grand work for the Church.

Second, That when it may deem it expedient and practicable, this General Assembly proceed to the founding of another Theological Seminary at such place as it may think will best subserve the interests of our Church. (Referred to Committee on Theological Seminary.)

9. We have considered the memorial from the Synod of Texas, asking the General Assembly to change the time for taking the annual collection for Foreign Missions. We recommend that no change be made in the time for taking the annual collections for our Boards.

10. We have had before us the communication from Rev. M. Lowe, now of Greenfield, Mo., who was appointed as "Pastoral Supply Agent" by the General Assembly of 1891. From his report it does not appear that the work has received sufficient encouragement to justify continuance of said agency. We are further of the opinion that the Presbyteries should see to it that their ministers are employed and their congregations supplied. (See Confession of Faith, Art. XXXI., of Constitution.)

11. We have considered the communication from Revs. S. L. and G. B. Russell, referred to us, in reference to founding a Cumberland Presbyterian

Orphan's Home. We think that the General Assembly and the whole Church should give its encouragement to this enterprise. It is the opinion of the committee that the General Assembly should not assume any responsibility in this matter, but we recommend that a committee of three be appointed to co-operate with the above named brethren and report to the next General Assembly. We suggest as this committee Rev. S. L. Russell, of Alabama, Ruling Elder J. D. Leach, of Kentucky, and Ruling Elder H. H. Buquo, of Tennessee.

12. We have considered the resolutions offered by Rev. J. P. Russell, embodying a plan by which the Presbyteries shall supply their vacant congregations and procure work for their unemployed ministers. We are of the opinion that the plan offered possesses no special advantage over that which is used by many of our Presbyteries. We are aware, however, of the fact that many Presbyteries neglect this important work, and we recommend that this General Assembly urge that all the Presbyteries give this subject more earnest attention and adopt at once, if they have not already done so, such plans as will enable them to fully discharge the duty laid upon them by the Constitution in this regard.

13. We have considered the memorial from Arkansas Synod with reference to the change of boundary lines between said Synod and the Synod of Texas. We find that the Arkansas Synod proposes certain changes in the boundary lines; and that the Texas Synod has agreed to only a portion of the proposed changes. We think that the Arkansas Synod should have the privilege of considering the matter again before the General Assembly takes action. We therefore recommend that the matter be referred to the Arkansas Synod for further action.

14. We have before us and have duly considered a memorial from the Yazoo Presbytery against creating a general fund for traveling expenses of Commissioners to the General Assembly. As this question will likely be brought before the General Assembly through its committee, we do not deem it necessary to recommend any action upon this memorial.

15. We have carefully considered the memorials from the Presbyteries of Yazoo, McGee, Obion, and Elk, asking for the consolidation of the Boards of Education and Ministerial Relief. With the light that is before us we are not prepared to recommend the consolidation of said Boards.

16. We have had before us the resolutions relating to the Young People's Society of Christian Endeavor, and we recommend the adoption of the following portion of it:

WHEREAS, The Young People's Society of Christian Endeavor has become one of the established and well recognized agencies in Christian work; therefore,

Resolved, 1. That we most heartily indorse this organization, and commend it to the Sessions and pastors of the Cumberland Presbyterian Church.

2. That it is the sense of this General Assembly that withdrawal from the Endeavor movement and the organization of a separate denominational society would be hurtful and unwise.

E. D. PEARSON, *Chairman*.

REPORT OF COMMITTEE ON EDUCATION.

The Committee on Education made the following report, which was adopted:

The Committee on Education respectfully submit the following report :

Christian education by a religious denomination by institutions under denominational control and influence is not a question simply of expediency and denominational pride, but is a pressing and perpetual necessity, if denominational existence, respect, and usefulness are to be maintained and perpetuated. Especially is this true as to the rising ministry of the Church. Hence, it is an occasion of much gratitude to God by the Cumberland Presbyterian Church that its educational institutions are from year to year increasing rapidly in number, those already existing enlarging facilities, augmenting patronage, and their management gaining yearly, more and more, in securing the confidence of the people of the Church and of the general public. It is a fact which will not be questioned by the intelligent inquirer, and which may without arrogance stimulate just Church pride, that in the territory occupied by the Cumberland Presbyterian Church it is doing more, in proportion to membership and wealth, than any other one of the Churches which occupy the same field, in the education of the young under the influence of religion.

Referring to the report of the Committee on Education to the General Assembly of 1891, we find the following opinion indorsed by the Assembly : "It is probably true that as to the number of our educational institutions we have a sufficiency." This committee desire to modify this opinion only to this extent : that, while the increase in the number of our institutions, especially of denominational academies and high schools, should not be discouraged, but encouraged, the greater attention and effort should be given to an increase of the endowment, and a consequent increase of the equipment in men, apparatus, cabinets, buildings, and furniture, for those we have already undertaken. The effort to increase the number, as necessity and occasion may arise, should not by any means cease, but just now we need most of all largely increased endowment and equipment for our existing universities and colleges. In these important works our Church has nothing in the events of the closing ecclesiastical year to discourage or disappoint us, but much to encourage, as indicated by the reports which have come to us from the various institutions now under the management of our Church.

BOARD OF EDUCATION.

The committee have had before them, by reference from your reverend body, the Annual Report of the Board of Education, which we return with the recommendation that it be published in the Minutes of the Assembly, as usual, after it shall have been examined and verified by the Secretary of said Board. On said report the committee submit the following remarks and recommendations :

1. The increase of receipts by contributions is only \$441.02 over the same in the report for the previous year. This is not equal to what was expected by the Church, and would seem to be discouraging ; but when we consider the unexpected and extraordinary stringency in finances existing during most of the year, especially in the South and West, it is encouraging to know that there was any increase and not a great decrease in amount of contributions. For further particulars as to receipts and disbursements parties are referred to the report of the Board.

2. The committee recommend that the election by the Board of J. A. Cartwright to fill the vacancy occurring by the death of Rev. J. W. Fitzgerald be heartily approved by the Assembly.

3. As suggested by the Board, it would certainly be a wise plan for every Presbytery to require each Church to report once a year as to the amount contributed to the Board for the education of the rising ministry, and we recommend that the Assembly urge on the various Presbyteries the prompt performance of this important duty.

4. As requested by the Board, the committee recommend that the General Assembly repeat with great emphasis the request that the Presbyteries use all possible caution and diligent discrimination as to the character, industry, and necessities of the young men recommended to the Board for aid, and that they use similar diligent and prayerful caution and discrimination as to the character of the men admitted as probationers for the ministry and as to the attainments in literature, theology, and spirituality of men licensed and ordained to the ministry.

5. The committee unanimously decline to approve "the unanimous opinion" of the Board that its members be elected directly by the Assembly, and recommend that no change be made in the plan of electing which has been a success in the past.

6. Inasmuch as the circumstances which gave rise to what is known as the "Loan Policy" of the Board, and which seemed to render said policy a necessity for a time, no longer exist, the committee recommend that the Assembly instruct the Board to change the policy to that of *gifts* to the young men, it being understood that this is only a *policy*, and is not to be interpreted as inflexible to the extent that the Board shall not lend money to young men at all, but that the Board exercise an unrestricted discretion on this subject in not refusing to accept "return notes" when voluntarily offered by the beneficiaries or in loaning in other cases when the judgment of the Board is clear as to its propriety; and that the question as to the rescinding the notes which have been taken under the previous policy be left to the discretion and better information of the Board, believing that its members will exercise wise and prayerful discrimination in each individual case, influenced by the principle that the feeling of the Church is now the "gift policy."

7. Whether item 7 be or be not adopted by the Assembly, the committee recommend that the Board be instructed to turn no more "returned loans" into "permanent fund," but into general fund for immediate use.

8. That the first part of item 5 be recommended to the careful attention of presidents and instructors in our schools.

9. That the Assembly suggest to the trustees of Trinity University and of Lincoln University that they consider the propriety and feasibility of changing the word university to college in their names.

10. The committee recommend that the Board be advised to raise the maximum of aid from sixty-five to one hundred dollars per annum.

INTER-COLLEGE ASSOCIATION.

The committee have had before them, by reference from the General Assembly, a memorial from "The Cumberland Presbyterian Inter-College Association," accompanied by the history of the organization of said associa-

tion and a copy of its constitution, and containing several requests of the General Assembly. The committee return all these papers with the recommendations as follows:

1. That said papers be made a part of the published Minutes of the General Assembly.

2. That, in response to the request of the memorial, the General Assembly not only approve the organization and objects of said association, but assure the parties engaged in it of hearty sympathy and co-operation and of gratitude to God for the conception of the idea and motives which gave it existence.

3. That, in answer to the second request of the memorial, the General Assembly urges all the institutions represented in the association to make annual reports to the General Assembly through the secretary of said association.

CUMBERLAND UNIVERSITY.

The committee has diligently considered the Annual Report of Cumberland University, the only institution of learning under the control of the General Assembly, and return the same to be incorporated in the Minutes. We find nothing in said report requiring action on the part of the General Assembly. The report is remarkably clear and concise, and, in connection with the Annual Catalogue, which may be had by all, gives full details of the organization, work, and prospects of the University. Hence the committee will not use time and space in speaking of this grand old school which has done so much for Christianity, for our Church, and for our nation, and which is a noble monument to the intelligence and virtue of our fathers. We call attention here to only one fact set forth in the report: That, in spite of financial depressions in this country, the patronage has increased this year about ten per cent, and the endowment has had a liberal increase.

OTHER SCHOOLS.

Arkansas Cumberland College was established and located at Clarksville, Ark., by action of the Arkansas Synod, April 15, 1891. It has endowment to the amount of forty thousand dollars, of which about thirty thousand dollars is productive, and the remainder will soon be so; buildings and grounds, about twenty thousand dollars. Opened September last with nine teachers; conducted through the year to the full satisfaction of the sanguine hopes of its friends, and matriculated 217 pupils. The trustees are planning for liberal things, and the Church in the Arkansas Synod will doubtless soon have an institution of great usefulness. This school is co-educational.

Missouri Valley College, Marshall, Mo., has put its Third Annual Catalogue in the hands of the committee, showing the net attendance of pupils to be 270, of whom thirty-two are preparing for the ministry. This school is under the control of the Synods of Missouri and Kansas, has an able faculty of eleven teachers, a magnificent building and expansive campus, endowment amounting to one hundred thousand dollars and seeking to double it, carefully prepared and thorough courses of study, is co-educational, and has an outlook for future success which promises good and great things for the people of the Missouri Valley.

Trinity University, Tehuacana, Texas.—Enrollment, 321; preparing for the ministry, thirty-two; increase of productive endowment, five hundred

dollars; a completed building which has cost forty-five thousand dollars; teaching force, thirteen; entirely free from debt, constantly increasing patronage and confidence of the Church in the State; forty-seven students converted and added to the Church during the year; outlook healthy and encouraging. The school is co-educational, and is controlled by the Synod of Texas.

Parsons College, Veal's Station, Texas, under control of Parsons Presbytery, is co-educational and highly prosperous. Enrollment, 303; teachers, eight; prospects encouraging.

Cumberland Female College, McMinnville, Tenn.—Total attendance, 125; boarding, sixty; graduates, thirteen; increase in attendance, fifteen; teachers, twelve; property, fifty thousand dollars; free tuition to ministers' daughters; nearly all the boarding pupils religious; ninety per cent of patronage Cumberland Presbyterian; health excellent; location, beauty, and comfort of building and grounds all that could be desired.

Union Female College, located at Oxford, Miss., is among the oldest, if not the very oldest, female college in the State and in the Church: has a large three-story brick building and ample grounds, and in one of the healthiest localities in the State. The buildings have been recently repaired and the rooms refurnished. The discipline is kind and home-like. The faculty is full in the different departments. The number of boarding pupils has been increased. Oxford is the educational center of the State. The town is well supplied with Churches, which are well attended by an intelligent and cultured people. The college should receive and educate the daughters of the Church in Mississippi.

The many other prosperous schools under the control of the Church have put neither Catalogues nor statistical information in the hands of the committee, which is much regretted.

PREAMBLE AND RESOLUTION.

The following was adopted unanimously by the committee:

WHEREAS, The Constitution of our Church (page 101, section 56) prescribes the standard of literary attainment to be reached by licentiates preparatory to ordination, and emphatically states that a knowledge of the branches of literature therein enumerated is indispensable to ordination; and whereas, it is the habit of many of our Presbyteries to disregard often this requirement of the Constitution and, by laying hands on men who have not reached the standard required, thrust into the ranks of the ministry incompetent men; therefore

Resolved, That we recommend to this General Assembly that it instruct the Synods under its jurisdiction to make more careful observation of the work of Presbyteries touching this matter, and where Presbyteries are found acting in violation of this law of the Church to administer to them a severe reprimand, and, if this fails to correct the evil, to proceed to dissolve said Presbyteries and distribute their ministers and Churches among other Presbyteries according to the wisdom of the Synod so acting.

Respectfully submitted.

E. B. CRISMAN, *Chairman*.

REPORT OF COMMITTEE ON DECEASED MINISTERS.

The Committee on Deceased Ministers submitted the following report, which was adopted:

Your Committee on Deceased Ministers submit the following report:

We find from information brought to hand that quite a number of our faithful ministers, tried and true, have been added to the death roll since the last meeting of our General Assembly.

It is sad indeed to know that so many with whom we have worked, and whom we have loved, have left the walks of men. Yet while our hearts are made sad we are made to rejoice with the thought that they have just laid aside the mantles they so honorably and becomingly wore to cross over and occupy the Christian's home, which is "eternal and in the heavens." They have simply heeded the Master's call, "Come, ye blessed of the Lord." Greater is he that dies for right than he that lives for wrong.

But as death thrusts his sickle into our ranks let us be submissive to the will of Him who taught us that if we would trust Christ he would give us eternal life.

We herein recommend:

1. That we allow the members of the General Assembly five-minute talks in which to speak of the lives and works of our deceased brothers.

2. That we hereby express our heartfelt sympathy for their families and for their Churches for which they so faithfully labored.

3. That in adopting this report the General Assembly rise and unite in singing and in prayer.

4. That a memorial page be provided for in the Minutes of the General Assembly.

Respectfully submitted.

REPORT OF COMMITTEE ON FINANCE (No. 1).

The Committee on Finance submitted the following report, which was amended and adopted:

Your Committee on Finance submit the following:

We have examined the report of the General Assembly's Board of Trustees, an important part of which is the financial statement of the Treasurer of the Board.

A considerable part of the Doherty Fund is now invested in county bonds of certain counties of Kentucky at six per cent interest per annum, the interest being paid annually to the Board of Trustees of Cumberland University. The Treasurer of this Board states that he has of late placed six thousand dollars of this fund in the hands of a broker in Louisville, Ky., to be invested in county bonds. The security of this fund we suppose is good, but your committee suggest that your Board of Trustees look well to this point.

The Treasurer of the Board did not display that care in the preparation of his report which such a document deserves.

This Board states in its report that it frequently incurs some expense in the discharge of its duties, and that no provision has been made for meeting these items of expense. We recommend that the Board report annually any expenses it may necessarily incur and that the Assembly provide for the payment of the same out of funds in the hands of the Board.

In the report of the Board is an item respecting the will of the late Rev. R. L. Ross, which we think should go into the hands of the Committee on Judiciary; hence we return herewith the report of the Board.

We have examined the report and account of your Stated Clerk, and find the same correct and in good order. The Stated Clerk deserves the commendation of the Assembly and of the entire Church for the able manner in which he has performed the multitudinous duties of his office.

There has been a marked improvement of late in the payment of the Contingent Fund on the part of our Presbyteries; with few exceptions payment in full has been made to date.

The very low rates of transportation for the members and visitors to this meeting of the General Assembly, secured by your Stated Clerk, deserve special mention.

Memorials from two Presbyteries have been placed before your committee, asking that the salary of your Stated Clerk be reduced. After careful consideration of this question, your committee recommend that the prayer of these memorialists be not granted.

A memorial from New Lebanon Presbytery asks that a permanent committee on Systematic Beneficence be appointed by this Assembly, whose

duty it shall be to adopt such measures as may be necessary to develop among our people Bible principles and plans of securing offerings for God's cause. Your committee recommend that the prayer be granted, and suggest the names of Rev. W. H. Black, D.D., Rev. T. J. Clagett, and Ruling Elder B. F. Birkhead, of Marshall, Mo.; Ruling Elder Robert Mitchell, of Macon, Mo.; Ruling Elder A. C. Stewart, of St. Louis, and Rev. T. S. Love and W. J. Brasfield, Marshall, Mo., as said committee, whose duty it shall be to formulate plans and methods on Systematic Beneficence, and submit the same at the next meeting of the General Assembly for ratification.

Your committee recommend that your Treasurer be directed to pay the expenses of Rev. R. H. Caldwell and Rev. F. J. Tyler, late visitors to the Theological School at Lebanon, Tenn.; also the expense of Rev. W. H. Black, D.D., to this meeting of the General Assembly, unless his Presbytery provides for the same, on account of his delivering the discourse on Education during this occasion.

We have had before us a communication claiming the sum of \$495 as our part of the expense of the Pan-Presbyterian Alliance for the present year. We ask that the matter be referred to Rev. W. J. Darby, D.D., and J. M. Gaut, Esq., with authority to settle the same.

Respectfully submitted.

A. W. HAWKINS, *Chairman.*

REPORT OF COMMITTEE ON CORRESPONDENCE.

The Committee on Correspondence submitted the following reports (Nos. 1 and 2), which were adopted:

REPORT OF COMMITTEE ON CORRESPONDENCE (No. 1).

Your Committee on Correspondence has had under consideration the communication bearing fraternal greetings from the General Assembly of the Presbyterian Church, in session at Hot Springs, Ark. We recommend that the following greeting be returned: "To the Moderator of the General Assembly of the Presbyterian Church, Hot Springs, Ark.: Your fraternal greetings heartily reciprocated. See Jude 2."

We have also considered a communication from Rev. Dr. Cattell, Chairman of Executive Committee of the Presbyterian Historical Society, requesting the appointment of a committee of ministers and ruling elders by this General Assembly to co-operate with the society in collecting materials for the history of our own branch of the Presbyterian Church. We recommend, therefore, that the Moderator appoint a committee of three to gather facts and furnish such materials as may be necessary to comply with said request. We recommend also that said committee shall be instructed to consider the advisability of depositing with this society, for safe keeping in its fire-proof vaults, Minutes of General Assembly, Presbyteries, and Synods, and any manuscripts which it may be important to preserve. We herewith return the communication from Rev. Dr. Cattell, to be filed for reference.

Respectfully submitted.

J. M. KEETON, *Chairman.*

REPORT OF COMMITTEE ON CORRESPONDENCE (No. 2.)

We have considered your correspondence from the Secretary of the Pan-Presbyterian Alliance, asking the appointment of delegates to the Alliance

to be convened in Toronto, Canada. By reference to page 25 of Minutes of General Assembly of 1891, we find that this matter has been provided for. We recommend:

1. That the Stated Clerk be instructed to reply to the greetings from the General Assembly of the Cumberland Presbyterian Church (Colored), and refer to Phil. i. 8-10.

2. That the Stated Clerk also send greetings to the General Assembly of the Presbyterian Church, in session at Portland, Oregon, and refer to 3 John 2.

Respectfully submitted.

J. M. KEETOX, *Chairman*.

REPORT OF COMMITTEE ON JUDICIARY.

The Committee on Judiciary submitted Report No. 9, which was adopted, and is as follows:

REPORT OF COMMITTEE ON JUDICIARY (No. 9).

The Committee on Judiciary respectfully report that they have examined the memorial from the Little River Presbytery of the Texas Synod in regard to the action of the Texas Synod relative to the boundary lines of Little River Presbytery, and find in the papers before them that no specific complaint is made by the Presbytery against the action of the Synod. However, your committee would recommend, in response to the memorial, that you reaffirm the former deliverance of the General Assembly—that the Synod has original jurisdiction in determining and establishing the boundary lines of Presbyteries.

R. A. HILL, *Chairman*.

REPORT OF COMMITTEE ON SABBATH OBSERVANCE.

The Committee on Sabbath Observance offered their report, which was amended and adopted, and is as follows:

MR. MODERATOR AND BRETHREN: Your Committee on Sabbath Observance respectfully submit to you the following:

We find it difficult to say more than, or to reiterate, what has been already presented to your reverend body and to other similar Christian assemblages on this subject. We deem it unnecessary to again set forth the ethical importance of this question or to particularize how greatly the welfare of man, the credit of religion, the glory of God, and the very perpetuity of this nation's highest interests are interested in it. The rights of the people to a civil and religious Sabbath, and the corresponding obligation resting upon governments and upon individuals, in authority, we assume, are sufficiently well understood. But that we have yet earnestly to contend for these rights and to use all possible proper means of stirring up seared consciences on this momentous question is among the urgent duties of the hour. For right views on Sabbath observance we respectfully refer your members to the abundance of excellent literature on the subject now extant and easily accessible.

What we would like to do, however, is to stir up and promote decisive, intelligent, and persistent action. On this subject, as on many other similar ones, it is not, at least in most States, additional legislation that is needed, nor even amended legislation, but *execution* of present laws. If

the present General Assembly could by recommendation or by personal pledge from its members representing the Churches, or in any appropriate way, secure the individual scriptural observance of the Sabbath by its two hundred thousand constituency the very *thing needed* would be accomplished. In the name of our God and of all the interests concerned your committee roll the responsibility of securing this result upon the hearts of your members.

Your committee have had referred to them memorials from several Presbyteries humbly beseeching this General Assembly to take some action, not in the form of indefinite protest, but clear, comprehensive, and positive, upon the momentous question of closing the World's Columbian Exposition on Sunday. In accord with the ethical observance of the Sabbath referred to above, we deem it imperative for the safety and best interests of the nation and for society in its manifold forms of life that the gates of the World's Fair be closed on Sunday. We are also impelled thereto by other imperative requirements. We are a Christian nation. The discovery of this continent, its settlement, the founding of our institutions, our religious and social prosperity, our national development and hopes of permanency, founded as they are upon the Christian religion, require it. We can tolerate nothing that menaces all that is valuable and dear to us as a nation, as families, and as individuals. To lay the ax at the root of the Christian Sabbath we hold to be a violation and an infringement of the spirit and rights of our American institutions, which had their historic origin in a religious conviction the claims of which rest upon the infrangibility of the law of the Sabbath.

Again, we are in imminent danger, from perils imported and engrafted upon our national life, of self-destruction. If we are to hold to the motto, "America for Americans," then the *Magna Charta* of our ultimate prosperity and success, the Christian Sabbath day must be unswervingly maintained and observed.

It is not only our enemies against whose proposed action we protest, but God's, whose majesty they would insult, and whose will as expressed in the Decalogue they would hold in contempt.

We also believe that it would be a great injustice and a flagrant wrong, in the vaunted name of *liberty*, to the multitudes of the laboring classes themselves who would thus be compelled to labor seven days for the wages of six, with no little injury also to their physical, mental, and moral constitutions.

We can not afford, as we value national safety, to have our Sabbath turned into a Continental holiday. It is also apparent to all observers that in exact proportion to the neglect and desecration of this day drunkenness and crime increase.

We urge, therefore, that you pray to God and petition the authorities to hear and grant the pleadings of loyal Christendom for the closing of the gates of the Columbian Exposition to be held in Chicago in 1893.

Respectfully submitted.

B. D. COCKRILL, *Chairman*.

SUPPLEMENTARY.

We further invoke and petition the legislature of the State of Illinois to make whatever appropriation it may determine on the explicit condition

that the authorities shall enact such a rule as shall close the gates on the Sabbath day.

And furthermore we ask your honorable body to petition the legislature assembled January, 1893, to formulate and enact such additional legislation as shall better protect and enhance the civil and religious interests by a better and more strict observance of the Sabbath as an ethical, civil, and religious institution.

We also recommend that you petition Congress, assembled in Washington, to make no appropriation for the World's Columbian Exposition except on the condition that the integrity and fair name of the American people as a Christian nation shall be unsullied by a careful observance of the Sabbath as a day of rest and religious privileges.

REPORT OF COMMITTEE ON TEMPERANCE—SPECIAL ORDER.

The Committee on Temperance submitted their report, which was made the special order for 2.30 o'clock P.M.

REPORT OF COMMITTEE ON THEOLOGICAL SEMINARIES.

The report of the Committee on Theological Seminaries was made the special order for 3 o'clock P.M.

The General Assembly then took recess till 2.30 o'clock P.M.

THURSDAY, May 26, 2.30 o'clock P.M.

REPORT OF COMMITTEE ON TEMPERANCE.

The General Assembly resumed business, and the report of the Committee on Temperance was adopted, as follows:

Intemperance is among the most persistent enemies of good. There may have been a time in the history of the past when indifference on the part of the Church to this great question was pardonable, but that time has passed. The time has now come when every Christian must take a decided and an inflexible stand in favor of total abstinence from the use of every thing that can intoxicate, and by voice and example urge forward the battle for prohibition. The statistics for each year show that this nefarious traffic is deepening and widening its intrenchments and organizing yet more perfectly for its own perpetuation. The saloon is a disgrace to our civilization. Its blighting, withering, blasting influence is growing day by day. The thief may pilfer our homes and rob us of our money; the incendiary may burn our property; the slanderer may assail our good name, but it is left for the saloon to legally destroy our children. It is the mother of crime, the debaucher of politics, the nullifier of law, a curse to the present, and a menace to the future. Practically, it is perhaps a greater barrier in the way of the salvation of souls than any other evil. Therefore, be it

Resolved, 1. That an active co-operation of all Christian people and all lovers of humanity in a common and persistent effort to expel from our land the Rum Power is an imminent necessity. We would impress upon our people the importance of abstaining from even the appearance of the

encouragement of this vice. The sale or manufacture of intoxicants of any kind, the furnishing of houses for the same, using intoxicants as a beverage—all such conduct is unbecoming a Christian, and should subject a communicant to the discipline of the Church.

2. We declare against the license system, high or low, as sinful, and deprecate the present excise policy of the national government.

3. We commend the work of temperance societies and Christian Unions in their efforts to conserve morality and educate public opinion on the subject of temperance. Such organizations are good as means to an end, but the ultimate object of all moral reform should be the leading of the soul to Christ, the only hope of the world.

4. While we are unwilling to commit the Church to the advocacy of any political platform, we are not willing that the danger of so doing should deter us from an unqualified declaration in favor of prohibition by legislative enactment. Positive prohibition of the sale or manufacture of intoxicants is the only consistent position for the Church to take upon this question, and to that end our prayers and our votes shall concur.

5. That we hereby express kindly to the managers of the Columbian Exposition our absolute and earnest disapproval of the sale of intoxicants on the Fair Grounds during the Exposition.

Respectfully submitted.

ALTERNATE COMMISSIONER.

Rev. A. G. Bergen, alternate from Indiana Presbytery, was recognized as a member of the General Assembly instead of Rev. C. B. Wellborn, who had returned home.

DELEGATES TO PAN-PRESBYTERIAN ALLIANCE.

The Committee appointed by the last General Assembly to nominate delegates to the Pan-Presbyterian Council at Toronto, Canada, made their report, which was adopted, and is as follows:

The Committee appointed by the last General Assembly to select delegates to attend the next meeting of the Pan-Presbyterian Council to be held in Toronto, Canada, in September, *proximo*, have attended to that duty.

The committee ask permission to appoint an equal number of alternates, with the understanding that each principal who finds it impossible for him to attend, to select his alternate, the entire list of principals and alternates to be published not only in the Minutes, but also in the papers of the Church.

REPORT OF COMMITTEE ON "RELIGIOUS EXHIBIT."

The Committee on "Religious Exhibit" for the Columbian Exposition made the following report, which was adopted:

Your committee to whom was referred the matter of a Religious Exhibit at the Columbian Exposition, beg leave to report :

We believe it advisable that the Cumberland Presbyterian Church should be represented in said Exhibit, and therefore recommend :

1. That a committee consisting of Dr. C. L. Hatfield, of Chicago, Ill. ; Rev. A. W. Hawkins, of Logansport, Ind. ; President A. E. Turner, of Lincoln, Ill. ; Rev. B. P. Fullerton, of St. Louis, Mo. ; Rev. R. M. Tinnon, D.D., of Fort Worth, Texas ; Rev. J. W. McKay, of Pittsburgh, Pa., and T. M. Hurst, of Nashville, Tenn., be appointed to arrange such an exhibit.

2. That all details of the exhibit be left to the committee, and that they be authorized to collect the necessary funds from individuals who may be inclined to contribute.

3. In consideration of the fact that we have not been able to obtain full information, that the committee may, upon its own vote, abandon the enterprise, if upon further investigation it is not found to be feasible.

The following resolution, presented by Rev. Taylor Bernard, was adopted :

INSTRUCTIONS TO THE STATED CLERK.

The Stated Clerk of the General Assembly was instructed to forward the last item of the report of the Committee on Temperance to the Managers of the Columbian Exposition.

PROTEST AGAINST MINORITY REPORT ON JUDICIARY (No. 1).

The following protest was entered against the action of the General Assembly in adopting the Minority Report No. 1, of the Committee on Judiciary:

To the General Assembly of the Cumberland Presbyterian Church, in session in the city of Memphis, Tenn., May, 1892:

We, the undersigned, respectfully enter our solemn protest against the action of the General Assembly in the adoption of the minority report of the Judiciary Committee wherein the eligibility of woman to ordination and to a seat in our Church judicatories is affirmed, for the following reasons:

1. The decision of the General Assembly introduces an innovation into Church polity, and especially into that part of it represented by the Cumberland Presbyterian Church. For seventy-five years the denomination has existed and prosecuted its work without even the agitation of the question, much less the attempt to carry it into effect by a formal decree of the General Assembly.

2. The action of the General Assembly is clearly unconstitutional, in whatever light the Constitution as a document may be regarded.

(a) If regarded as a document *conferring* power that power must be shown, not by ambiguous construction, but by express statement as a just and necessary consequence.

(b) If regarded as a document *limiting* power, then the fact that men alone are mentioned in speaking of the office precludes the ordination of a woman to it, especially since women are mentioned in section 23 of the Constitution in contradistinction to men.

3. Since the action of the General Assembly changes a constitutional rule, it has assumed to do that which belongs of right solely to the Presbyteries of the Church, and is an assumption of authority unwarranted by the Constitution of the Church, and is a breaking down of the only safeguard that a minority can have against the action of a majority.

4. Since it is a constitutional question, the action of the General Assembly in making such a change is a nullity.

5. We therefore protest against such action as wrong on grounds of expediency and the Constitution of the Church. We say nothing of other considerations, but refer to the question as it occurs in the said minority report. As loyal sons of the Church we enter this protest and appeal to the Presbyteries of the Church to justify us in doing so by taking the necessary steps to protect themselves in the enjoyment of their constitutional rights and prerogatives.

PROTEST AGAINST REPORT ON JUDICIARY (No. 3).

The following protest was entered against the action of the General Assembly in adopting Report No. 3 of the Committee on Judiciary:

We, the undersigned, most respectfully protest against the action of this General Assembly in the adoption of Report No. 3 of the Committee on Judiciary, whereby the action of Texas Synod, which declares that the requirement by Buffalo Gap Presbytery that all ordained ministers applying for membership in said Presbytery submit to an examination on literature and theology, is unwarranted by the Constitution is sustained by said committee.

Our reason for so doing is that in our opinion said action is in violation of the inalienable and constitutional right of the Presbytery to be the sole judge as to who shall become members thereof.

REPORT OF COMMITTEE ON THEOLOGICAL SEMINARIES.

The report of the Committee on Theological Seminaries was taken up, adopted, and is as follows:

The Committee on Theological Seminaries report as follows:

That a minister of the gospel should be qualified to meet all the requirements of his office is not debatable, nor is there any reasonable ground for debate as to theological training in order to his full equipment.

Our Theological School at Lebanon, Tenn., has done and it is still doing a good work. If we will accept the scriptural rule and judge a tree by its

fruits we must decide that the school is good. We do not say that there is no fault or defect in the school, but we do say that the points against which objections have been made, even if granted, bear no comparison to the points which clearly deserve commendation; and we urge that a hearty support be given to it.

The reports of the Endowing Agent, the Visiting Committee, and the Board of Trustees of Cumberland University have been referred to us, and they are herewith returned for publication in the Minutes.

The report of the Board of Trustees gives statement of amount of endowment fund, working force, number of students, etc., of the Theological Seminary.

The report of the Visiting Committee speaks encouragingly of Cumberland University in all its departments, and congratulates the young preachers on the great advantages they have in the Seminary.

The report of the Endowing Agent contains the facts and figures of his work for the year just closing. The agent says the work has been hindered by the financial stress upon the country, and also by discussions which have been going on in the church, which were not helpful to the endowment of the Seminary.

We recommend as follows:

1. That the Endowing Agent of the Seminary at Lebanon be continued in his work.

2. That the following named brethren, viz., Rev. D. E. Bushnell, D.D., of Chattanooga, Tenn.; Rev. J. G. Patton, of Brownsville, Pa., and Ruling Elder R. W. Pittman, of Denton, Texas, be appointed a committee to visit Cumberland University at the close of next collegiate year and make report to the next General Assembly.

We have carefully considered item number nine (No. 9) of report of the Committee on Overtures, which was referred to us, and we recommend that you heed the call for a new seminary, and that you appoint a committee of five whose duty shall be to receive such gifts or to submit to and receive from individuals or communities propositions looking to the establishment and equipment of such seminary in the city of Chicago; provided the sum of *three hundred thousand dollars* (\$300,000) be first secured for the use and benefit of such seminary.

F. R. EARLE, *Chairman.*

REPORT OF COMMITTEE TO VISIT THEOLOGICAL SCHOOL.

The Committee appointed by the last General Assembly to visit Cumberland University make the following report:

We had the great pleasure of spending several days visiting the various departments of your justly celebrated institution of learning. We found the University in a splendid condition as to the number of students and the thorough common sense, practical work done for them by the teachers in the various departments, but we wish to call special attention to the Theological department. This is ours more than any other. Here is where our young ministers are taught, as far as man can teach, how to catch men. This is our school of the prophets. We found the course comprehensive and the instruction thorough, systematic, and critical. We could not refrain from exclaiming, "Fortunate young men to have the privilege of sitting at the feet of those scholarly and godly men and learning those things that are indispensable to success in their holy calling."

Your committee are of the opinion that Cumberland University, in all its departments, ranks with the best schools in the land. There is a matter of no small importance connected with this school, to which we call attention, viz.: All the teachers are graduates of the same, and are fully identified with it, and not simply hirelings waiting for a call to a larger salary to go elsewhere. In our judgment this is no small item in the past, present, and future success of your University. They are an essential part of the organic whole. We were more than delighted with Divinity Hall and its management. We found the fare good, of sufficient variety, and at the nominal cost of \$6.50 for each, per month.

In conclusion, we wish to say that our fathers selected wisely when they selected Lebanon, Tenn., as the future home of our Seminary. There is perhaps no point within our bounds that has more advantages and fewer disadvantages than Lebanon—healthful, quiet, refined, religious; good water and cheap living. We recommend that you urge the various Presbyteries to use all means within their power to prevail on their probationers to attend this school. This age demands a thoroughly equipped ministry, and the man who endeavors to perform its sacred functions without the best possible preparation gives unmistakable evidence of his non-acquaintance with the solemn responsibilities necessarily connected with and growing out of this high calling.

R. H. CALDWELL,

F. J. TYLER.

REPORT OF THE ENDOWING AGENT OF THE THEOLOGICAL SEMINARY.

Many of the Presbyteries, while agreeing to pay their full *pro rata* of the apportionment, wish further time. This is owing in some instances to the monetary pressure, in others to the fact that the matter was not brought before the Presbyteries in time, and in others still to discussions that have been going on in the Church, not, for the present at least, helpful to the endowment of the Seminary.

These things, when taken in connection with the more than ordinary pressing appeals coming from some of the Boards of the Church, and the physical inability of the agent, a part of the year, to do the usual amount of traveling have made the last year less fruitful in immediate cash results.

There has, however, been added a little over three thousand dollars to the funded endowment of the institution. The progress made in securing an endowment for a fourth chair is such that a little determined activity on the part of the Presbyteries would easily secure that result in another year. I.—MISSIONS AND CHURCH-ERECTION.

ANNUAL REPORT OF THE CUMBERLAND PRESBYTERIAN BOARD OF MISSIONS AND CHURCH-ERECTION, 1891-1892.

To the General Assembly of the Cumberland Presbyterian Church, convened at Memphis, Tenn., May, 1892 :

THE BOARD OF MISSIONS.

Soon after your meeting in May, 1891, Rev. J. V. Stephens, the efficient Corresponding Secretary, resigned, much to the regret of the Board and the friends of the work.

Rev. J. H. Miller, of Evansville, Ind., was chosen to fill the vacancy made by the resignation of Mr. Stephens, and entered upon the duties of his office August 1, 1891.

A. C. Stewart, Esq., who for nearly a score of years, was connected with your missionary work, also presented his resignation in October, 1891. Mr. Stewart was always among the wisest and safest counselors of the Board. It was only after his earnest entreaty to be relieved of his duties to this Board, in view of the many other demands upon his time and energy, that the Board consented to accept his resignation. The vacancy on the Board caused by Mr. Stewart's resignation was filled by the election of T. H. Perrin, Esq., of Alton, Ill.

On December 15, 1891, Rev. C. H. Bell, D.D., presented his resignation. The Board decided not to accept it, but to relieve him from the active duties of his office heretofore performed in planting missions, selecting missionaries, and superintending the mission work generally, and to place these duties upon the Corresponding Secretary on and after January 1, 1892. This retained Dr. Bell as a member of the Board and its official President, but demands no more responsibility at his hands than it does of other members of the Board.

BOARD OF CHURCH-ERECTION.

This Board commenced last year's work with bright anticipations of increased usefulness, and the determination to place this important enterprise of the Church as prominently before the denomination as its merit demanded. Up to the time of its consolidation with the Board of Missions only one change in its membership during the year had been made. Rev. B. P. Fullerton, of St. Louis, Mo., resigned as a member of the Board, and L. T. Collier, Esq., of Kansas City, Mo., was chosen to fill the vacancy.

THE CONSOLIDATED BOARD.

By action of the General Assembly at Owensboro, Ky., May, 1891, the Board of Missions and the Board of Church-Erection were "authorized to consolidate under such name and in such manner as they lawfully can, and locate the consolidated Board in pursuance of a recommendation on the subject of location, found in the report of the Committee on Church-

Erection" (see Minutes of General Assembly, 1891, p. 40). In compliance with that resolution the Boards have been consolidated, by a change of charter of the Board of Missions.

THE CHANGES IN THE CHARTER.

The number of members composing the Board was increased from five to seven, and the name, "Board of Missions of the Cumberland Presbyterian Church," was changed to "Cumberland Presbyterian Board of Missions and Church-Erection." The location, of course, remains at St. Louis, Mo.

One of the conditions that was the basis of consolidation was the retaining of the two Corresponding Secretaries then employed by the two Boards respectively—Rev. J. H. Miller on the part of the Board of Missions, and Rev. S. Finis King on the part of the Board of Church-Erection.

THE NEW BOARD ORGANIZED.

On May 5, 1892, the charter having been amended as indicated in the statements above, the new Board met and approved the charter as amended, and constituted with the following corporate members: Rev. C. H. Bell, D.D., St. Louis, Mo., President; Rev. B. P. Fullerton, St. Louis, Mo., Vice-president; T. H. Perrin, Esq., Alton, Ill., Treasurer; I. H. Orr, Esq., St. Louis, Mo., Secretary; J. L. Secor, St. Louis, Mo., Auditor; J. C. Cobb, Esq., Odessa, Mo., and Rev. J. W. Morrow, Westport, Mo.

GENERAL STATEMENT.

Your Board has work among three nations of people besides our own home work—Japan, Mexico, and Indian Territory—and from all the circumstances we feel that the outlook for the future is hopeful for progressive and permanent results. Of course there are difficulties and some discouragements, but in every thing human these are found.

Results have been fairly good in all departments of the work. The foreign offerings have fallen behind somewhat. Two reasons, we think, account for this:

1. The time of offerings, especially since it is followed by two other enterprises, popular in themselves, and had two energetic aggressive secretaries to push their department of work in the quarters when really the foreign offerings must be gathered, if at all.

2. There was quite a financial pressure, especially in the South, during the period for this work, which lasts in the same section to this date.

INCREASED OFFERINGS.

Many congregations have increased their offerings over former years, besides making liberal offerings to the special work—the Chicago enterprise—during the time for Home Mission offerings. There has been a healthy increase in the home department.

SOME PRESBYTERIES

are not co-operating in the plans of the General Assembly, but are engaged in enterprises of their own; hence, you will find a few Presbyteries almost blank in the Home work. There are others that have done nobly, even gone beyond what was asked of them. These are Choctaw, California, Colesburg, Kirksville, Little River, Sacramento, and Tulare for Home Missions; Albion and Florida for Foreign, and three Presbyteries have raised their apportionment in both departments; they are Lexington, St. Louis, and Tehuacana. In these Presbyteries are to be found the most aggressive

PRESBYTERIAL SECRETARIES.

The above, we think, proves that the apportionment plan, accepted by the Presbyteries, and looked after by some live man chosen for the purpose, will result in a great increase in interest, as well as funds for the Church-Extension work. There are a few congregations, though, in some of these

best worked Presbyteries from which offerings have not been received, and many in other Presbyteries. There are 2,000 congregations in the denomination that have services at least once a month, and from which we should expect offerings, but we have received offerings from 1,030 Churches for Foreign Missions, and 1,307 Churches for Home Missions, and 439 Churches for Church-Erection this year.

THE SUNDAY-SCHOOLS.

The General Assembly at Union City, Tenn., asked that the Sunday-schools make regular offerings to Missions. There are over 1,500 schools in the denomination. If these could be induced to make offerings once in each period for the different enterprises of the Church, the funds for all would be considerably increased. One hundred and five schools have given \$562.83 to Home, and \$385.49 has been given to Foreign Missions this year by 58 schools.

CHURCH-EXTENSION DAYS

in Presbyteries, Synods, and congregations, to a small degree, have been observed, and in most cases very profitably. A more general observance of this custom will greatly increase the interest in the work; hence, we think from the General Assembly down to the humblest congregation this matter should be presented at least once a year.

AN ANNUAL NATIONAL MEETING

in connection with the General Assembly should be held. These congregational, Presbyterian, Synodical, and national meetings are necessary—

1. To inform.
2. To enthuse.
3. To plan.
4. To begin the work on plans.
5. To build up a literature which is very much needed and must be secured, even though we be compelled to put the literature of other Churches into the hands of our people.

LITERATURE.

From these meetings could be secured the papers and addresses, programmes, etc., for a permanent, as well as a present literature. The workers in the different mission fields must be induced to respond more often and more regularly, and the ministry, by some means or other, must be aroused to personal and faithful efforts in this fruitful field.

OUR WORK AWAY FROM HOME.

JAPAN.

In the report of last year you were told of the changes going on in the government of Japan. How that "sixteen years before a native was imprisoned for being a Christian, but now several of the prominent positions of the government are filled by Christians," having been elected to these positions by their countrymen. And yet the transition from the old to the new is not thought to be the best time for great success for Christianity, as the Japanese mind is much occupied with matters of state. Having awakened to the reality that their former treaties are limited as compared to the liberties allowed other nations, there is a disposition on the part of a portion to retaliate against the foreigner. Such were the demands made by the legislative body along this line that the Diet had to be adjourned and a new one elected.

The priests of the religions of that country use these questions to their advantage to fight Christianity, and we are sorry to say some of our own countrymen, as seen in a recent article in the *Japan Weekly Mail*, are poi-

soning the minds of the Japanese against the missionary by telling the Japanese that the Christian is a foe to Japan, and unless checked will eventually overrun their beautiful land. This has resulted in some little persecution during the last year, and quite an agitation is now going on, giving rise to the nationalistic and anti-foreign spirit. It will have a good effect on the Christians, however, serving to make them better settled in the faith.

The Japanese are naturally patriotic, loving their own country, but truly patriotic, having a high regard for others. At the attempted assassination of the Czarowitch of Russia, they were very indignant, and in many ways expressed their disapproval.

Treaty revision is the great question. It is fraught with great issues. The danger of the Japanese is to be impulsive. The missionary is watching with eagerness to put the "golden rule" as the foundation of the whole matter; hence, if he succeeds, it is a great opportunity for Christianity.

The trial of faith this year has been great to our forces, both native and American.

1. The turbulent state of political life has had its influence.

2. The failing health of two of the young ladies returned them to America, and Mrs. Van Horn, because of ill health, had to abandon her school work, and Dr. Mary Gault has been recalled.

3. Rev. J. B. Hail, the father of the mission, by his long and arduous labors, had long since earned a furlough, and was sorely needing it, so that he has come to America.

4. By disease and death some of the valuable helpers (native) have been taken out of the work.

5. The earthquake damaged and destroyed property and life, and turned for quite a while all attention to the suffering. But out of the crevices of this destructive agency has sprung a blessing to the cause of Christ; for here has been a chance as never before for Christianity to show its practical side. Benevolent institutions have sprung up on every hand.

OUR BRAVE LITTLE FORCE

have labored on, however, amid the discouragements, and although reduced in numbers, have tried to meet the demands made upon them. They plead for reinforcements, and wonder why it is that the Church is not coming up to their help.

MISSIONARIES AND FUNDS

are so much needed. Is the Church fully aroused to its duties and privileges in this matter? Send us more laborers, is the universal cry. Several of us have heard

MISS BETTIE DUFFIELD

urge the Church to send more men and women into that rich field of openings. Having regained her health sufficiently by a stay in this country, and having made the appeal many times for helpers, she sets the worthy example by returning herself to take up the work laid down a twelve month ago.

THE WILMINA SCHOOL.

Mrs. Van Horn had to retire from this school because of her health. Miss May Morgan was appointed principal, and it has had quite a successful year. It only prepared for thirty-five boarders, and the school has had that many. Three graduated at last Commencement. Of the fifty that have attended the school this year, twenty-seven have been Christians. Miss Agnes Morgan is music teacher. Besides the Misses Morgan there are three native teachers. We have been much interested in reading the report of the good work done by this institution, and appreciate the high standard it holds up for the Japanese young woman.

OUR WORKERS AND WHERE THEY ARE.

We quote here from the Corresponding Secretary's report, Rev. A. D. Hail, of Osaka, Japan:

"Mrs. Van Horn continued her work in the Girls' School until the close of the school year in July. She then yielded to her physician's recommendation to go to a more salubrious part of the Japanese climate for rest and recuperation. The doctor also having insisted upon her withdrawing from the school work entirely for one year at least, the mission sanctioned the withdrawal for that time. Having spent the hot months of the summer season in the northern part of the empire, she returned to Central Japan, and has since been working in the city of Wakayama, as her health and strength permitted. This is an important place, wherein 'much land waits to be possessed,' and 'the laborers are few.'

"Miss Rezner has continued her work during the year in the city of Yokkai-ichi and the neighboring towns. This field lies in the northern part of Miyeken, a ken in which is located some of the most celebrated and oldest shrines of the Shinto faith in this country. Much opposition to the work has manifested itself at different times and in different ways in the course of these twelve months. The Church has also had very severe trials springing up from within itself. There have, however, been a number of baptisms, and the field of the work itself has been greatly enlarged.

"As reported last year, Mrs. A. M. Drennan was, in August, 1890, transferred to the city of Ueno, the principal town in the province of Iga. Beginning work immediately upon her arrival, a class was ready for baptism early in January, 1891. Six were then baptized. Since that time there have been thirty baptisms, and the group of believers thus gathered will petition Naniwa Presbytery at its next meeting to formally organize them into a church under its care. The work is gradually extending to the neighboring villages and towns. Its outlook all around is encouraging, notwithstanding there have been phases of covert opposition. The work has reached a good class of the community, and from the young men gathered in we trust that the Lord is calling some to consider the ministry as the work to which they should devote their lives. A very flourishing woman's class has been maintained with growing interest from the very first. The believers there maintain their own preaching place, and also pay for the maintenance of two local lay evangelists. Two young men studying theology in the Doshisha have rendered valuable aid in the work during their vacations, and as their time would permit during the scholastic year.

"The ladies sustained by the St. Louis Board have also had a very busy year of it, aside from their regular household duties, and their work in entertaining the other ladies as the necessities of the case have required. Mrs. J. B. Hail continued to maintain the woman's work of the West Church (our first church) until the time of her well-earned vacation. Since that time the work has fallen to Mrs. A. D. Hail. The latter has also maintained the woman's work of our East Church in all of its various branches. To Mrs. Hudson has fallen the work of the new preaching place opened in Osaka, and at an outpost several miles from the city. Add to this the usual Sunday-school work, in which each has engaged, and it may well be understood that their hands have been full. The 'silent members of the mission' have surely done 'what they could,' and it has been of great value both in itself considered and also in view of the paucity of our members.

"The Rev. G. W. Van Horn continued to work in the city of Osaka in various ways that were constantly opening, until his summer vacation, when it was necessary to accompany Mrs. Van Horn to Sapporo. Since their return he has been living and laboring in the city of Wakayama, and visiting the surrounding towns and villages. The field is in itself a large one, and of present and prospective importance. Wakayama is the capital of Wakayama Ken, and has a population of about 60,000 souls.

"Rev. G. G. Hudson has opened up a new preaching place right in the heart of the city of Osaka, and almost under the shadow of one of the great Buddhist temples of the city. He continues work also in the large town of Ikeda, where four persons, the first fruits, were recently baptized. His

field, aside from this, now embraces the new line of railroad which, with its Y shaped terminations, reaches two of the most important towns in Miye Ken—the cities of Yokkai-ichi and Tsu, the latter the capital of the ken. This is the main line of work, while there are also a number of large adjoining towns and cities.

“The Rev. J. B. Hail, until the time of his departure, continued his labors in Wakayama Ken. This is a large field, with no conveniences of travel, and like the adjoining field for nearly two hundred miles up and around the peninsula, must be traveled in the midst of the tortures of a coasting steamer or on foot.

“In the years since our mission began its work, our circle now embraces the entire peninsula from Osaka to Nagoya, having churches in the six most important towns, and groups of believers in nearly all of the other important adjacent places. There is work also, and Christians on the railroad line, which runs across the base of the peninsula between Osaka and Yokkai-ichi. And yet the field is very far from being as fully occupied as it could be and ought to be, could we have the adequate means and forces.”

Rev. A. D. Hail, D.D., of course has been hard at work, as the missionaries in Japan all testify. Certainly he felt a delicacy in saying any thing in the above about himself. He becomes now the father of the Japanese family, since his brother, Rev. J. B. Hail, is in this country, and great and varied are his responsibilities. We have not a more faithful or capable missionary than Dr. A. D. Hail. We all remember with pleasure his and Mrs. Hail's visit to this country a few years ago. Much did he do toward arousing a better interest in the Church on the great subject of giving the gospel to the world.

The work for the past is indicated in the table below, and the present status given:

THE RESULTS IN TEN YEARS.

The first converts were had then; now there are ten Churches.

Two of the best cities of Japan are occupied by our workers, as well as several smaller places.

Six missionaries had gone then, nine have gone since.

There are ten other groups of people that are Christians, whom the mission hope to organize into Churches ere long.

Eight hundred persons have been baptized. Several have become ministers, and others are preparing. And the Church at home has been greatly enriched in faith.

THE NEEDS OF THE JAPAN WORK.

The broadening field does not need a less force nor less means.

The Church must not think that five missionaries out of the work make no difference, and that a falling off in the offerings of over \$1,500 is a good record.

The work was hindered last year from not having means; what shall we expect of the coming year with a decrease in the force and offerings?

The mission says: "We need more than ever your prayers, sympathy, and offerings." Shall we not give them?

THE NATIVE WORKERS.

"The Shingu Church is here now under the care of Mr. Ota, a member of our Tanabe Church, who graduated last June from the four years' course of theology in Doshisha College. Another brother, Mr. Matsuaka, who graduated in the same class, is engaged in the touring or circuit evangelistic work. The Rev. Mr. Baba, a graduate of the Meijigaku-in College and Theological Seminary, continues his pastoral oversight of the Osaka West Church. Mr. Oguchi, a lay evangelist is looking after the work, and has pastoral oversight of the Osaka East Church. The Rev. Mr. Ishida, of the Meiji Gakin, is employed by our United Church Mission Board as a missionary in Wakayama and the neighboring towns. He preaches to our Churches in that vicinity. Mr. Uchida, a member of the Osaka West Church, and one of our licentiates, recently from a course of study in the theological school for elders and lay evangelists in Tokyo, is the stated supply of the Tanabe Church. The Yokkai-ichi Church, until near the close of the year, has had the labors of the Rev. Mr. Nakasu, who was installed last year as its pastor. He is now employed by the mission as a general missionary. Other workers who have rendered valuable aid are Messrs. Matsuda and Kinera, theological students, who spent their vacation and a Sabbath or so each month in the work at Ueno. Mr. Shigeno, a licentiate, has been engaged in the new work opened up in Osaka, Ikeda, and Oka, neighboring towns. These have all been honest and earnest workers. They should have the hearty sympathy and earnest prayers of our Church at home. Such work as theirs has its difficulties and discouragements of a very peculiar nature, and especially so in the present condition of things in this country. It is a source of thanksgiving and of special joy to see the work thus passing into the hands of a rising body of men who are qualified by their birth in this land, their Christian character and training, to carry forward the work in a way that we, as foreign missionaries can never hope to do."

MEXICO.

Those who have been reading the articles from our workers in Mexico can not doubt for a moment that our sister republic, with only a river separating her people from ours, needs the special attention of Christianity. Articles in the April and May *Record* on "The Morals of Mexico" clearly points out the necessity for the gospel in its purity and power to be preached quickly in that country.

1. Because the people need it extremely bad.
2. Because they are in a condition to receive it. The leaders of the people have begun to awake to the fact that priests sent by the Pope from

countries outside of Mexico are ruining the people, not only morally, but perhaps a great factor in this opposition to foreign priests is the money question, as these priests annually export great wealth from the country, but make no import. Then, too, the native priests are sent to obscure parishes, while the foreign seize all the prominent ones.

3. The Church no longer is the *protege* of the State, but it is claimed that all creeds have the equal protection of the government.

Here is a grand country of twelve million souls, and a great majority in moral darkness—the worst of darkness, for they are taught, “This is the Christ-way, the Pope’s way.” But it seems the infallible old man has at least two degrees of morality, one for this country and another for that. Mexico is a land of beauty, fertility, and every phase of climate, stored with rich and varied minerals; a land needing the Sun of Righteousness to shine into the darkened minds and hearts of its people, just as it has needed, and still needs, the development in its natural resources and the minutest and humblest vocations of man. The farmer, with his rude tools of other centuries, scratches the ground, and ice is made by pouring water into a certain plant at night, and harvesting the ice in the early morn. Bronchos are mainly the beasts of burden. The enterprise of this century is crossing the boundary and laying the highway of steel along and across the valleys of beauty and fertility, and opening the eyes of the nation to progress in physical things. As followers of Christ we shall have to try to keep pace with the efforts of our brothers who lay up treasures on earth, and try to lay up some in heaven, that our Master’s vineyard may not totally be a waste in that portion of his kingdom.

THE CUMBERLAND PRESBYTERIANS IN MEXICO.

We occupy two principal stations:

Aguascalientes, the capital of the State by the same name. It has a population of about thirty-two thousand. We own our property here. Rev. A. H. Whatley started the mission. On account of the health of his child, as set forth in last year’s report, he was compelled to leave the work. Rev. C. C. Russell, of Bowling Green, Ky., was secured to go in his place. He went in July, 1891. Soon after arriving there he began to feel the climate was detrimental to him. He spent a few months with disadvantages arising from continued ill health, but at the same time making an excellent start. However, he was forced to abandon the work because of his health, and he was recalled in February of this year. Mr. Whatley volunteered to take his place until some other man could be secured, or at least as long as the health of his child was no worse than it is now. Leaving his wife and child to go to a sanitarium in this country, early in February, 1892, he was returned by the Board to Aguascalientes, where he is now at work, and reports quite an increased interest among the people there in this work.

Guanajuato, the capital of a State bearing the same name, has a population of 52,000. Like Aguascalientes, it has railroad connection. Here Rev. F. P. Lawyer and wife are located. A boys’ and a girls’ school are carried on under their direction. They seem to be doing well as far as we can judge from the monthly reports that have come to us regularly, no annual report having come to hand. Mr. Lawyer has an outpost at La Luz. The last letter we had from Mr. Lawyer stated that he and Mr. Whatley were engaged in services at his place.

REINFORCEMENTS

are needed in that work. Last fall we thought we had a young lady, Miss Willia Davis, Salado, Texas, to go to Mexico, but her eyesight became so much affected, that she could not go. We are glad to announce, however, that

MISS MARY HARRIS, ALBION, ILL.,

having completed the prescribed course for missionaries in the Lebanon Female College, Lebanon, Tenn., was consecrated to work in Mexico on Sunday, May 1st, and has been sent to Guanajuato, Mexico, to work in connection with Mr. Lawyer.

OTHER FIELDS.

While we need reinforcements in the fields already occupied, with true righteous business foresight we should already begin to look out and plan for other points. China or Korea would be the natural outposts from Japan; Africa with its unexplored thousands of miles and uncivilized hundreds of thousands, and Africa within our own territory with a Cumberland Presbyterian Church organized among them, seems to not only be an inviting, but a needy field, and it is quite doubtful whether to Africa among us, especially, we are doing our duty.

We believe the Church at home would be more aggressive if we would plan for and make greater efforts for the nations abroad.

THE WORK AT HOME.

INDIAN NATION.

The Cherokee, Chickasaw, and Choctaw Nations are the people among whom we have been working. Among these nations we have sustained five ministers and the Woman's Board has kept Mrs. S. S. Phelps at work as a teacher, and for a part of the time employed Rev. R. C. Grace and wife in the enterprise at Chelsea, Cherokee Nation. Rev. S. L. Alexander, of Hackett, Ark., has been at work on his own charge. Rev. A. B. Johnson reports about sixty persons taken into the Church in the bounds of his and Martin Charlston's work. His work is retarded for the want of an interpreter. He appeals most earnestly for better educational facilities. Choctaw Presbytery has suffered considerably during the last year by the death of three of the native preachers.

Rev. Calvin Robinson has been in quite poor health and not able to do full work; he has received six persons into the Church during the year.

Martin Charlston has done excellent work and is a most efficient man.

Rev. N. J. Crawford, so long a faithful missionary under this Board, and who made many sacrifices for the work, on account of ill health, resigned in the winter, and Rev. S. A. McPherson was appointed in his place.

THE CHOCTAW PRESBYTERY

has 10 ministers, 5 licentiates, 4 candidates, 24 congregations, and 314 communicants; *has met its apportionment* for the mission work although mission territory itself.

THE CHEROKEE PRESBYTERY.

In this is the Hogan Institute, where Mrs. Phelps teaches, which has been doing good service in the years past. It is now thought best to make it a school for full bloods. Rev. S. A. McPherson has been engaged to begin work among the full blood Cherokees. His beginning has been so recent that we can make no report as to that phase of the work.

Among the educated Cherokees we have a work as a Church, but this is under the care of Cherokee Presbytery.

At Chelsea there has been a work commenced, where it is hoped a school may be opened for the Cherokees not full blood.

Rev. R. C. Parks has been employed at Wagoner, I. T., where he superintends a school which has and still is doing good work. The Indian work needs better organizing—a few more men and some more money.

A SPECIAL WORK.

CHICAGO.

For several months there had been articles appearing in the papers about establishing a mission in the great city of Chicago.

The people of Illinois seemed especially interested in the matter. Mackinaw Presbytery appointed a committee to look after the work.

An organization of a few members was consummated. During the agitation of the question Rev. H. S. Williams, of Chicago, a Presbyterian minister, joined the Mackinaw Presbytery, and, being anxious to work in the city where he resided, the movement began in earnest to build a Cumberland Presbyterian Church.

The work was discussed and considered, and some efforts made along this line up to the time of the missionary conference in St. Louis in December, 1891.

There the Chicago enterprise took definite shape, and the Board of Missions decided to commence work in that city. A call was made upon the Church at large for money to buy the lot; the congregation, in the meantime, gathering and organizing, promised to put a chapel on the lot at their own expense.

THE ORGANIZATION EFFECTED.

On Sunday, January 17, 1892, the First Cumberland Presbyterian Church of Chicago was organized. Rev. H. S. Williams went to work with zeal, and the friends in many portions of the Church assisted the Board. A lot was bargained for on the 15th of March, 1892, and on the 20th day of April the first payment was made of five thousand dollars. This money had all been raised before the day of payment, and since January 1—in three months—by simply appealing to the Church. Fourteen thousand dollars was promised, the remaining nine thousand dollars to be paid in one and two years, or before if the money can be had. The Board now think that the cry ought to be, *Chicago lot fully paid for by January 1, 1893.*

One thousand of the nine is in the hands of the Board, eight thousand is to be raised. Let this be done and then make a special effort in some other large city.

We thank the friends who worked so nobly for this cause, and we also thank those who gave so liberally.

We give on another page, by Synods and States, the names and amounts of those who have contributed to this cause.

CHURCH-ERECTION DEPARTMENT.

The Church-Erection Department has moved forward during the year without interruption, manifesting an encouraging and rapid advance over the work of last year. This advance is largely due to the faithful co-operation of pastors and an abiding conviction upon the heart of the membership of the denomination that there is an absolute and pressing need for a large building fund, which will certainly insure the early success of most of our mission stations. It is also accepted that this fund will become a large factor in establishing our cause at many important points when the congregation will not be dependent upon the missionary funds of the Church for the support of a pastor. We suppose the Board would not be justified in granting every application for a loan from this fund; yet the many calls present in the most practical and forcible manner the extent of the field in this department of Church work. The aggregate of requests received by the Corresponding Secretary during the year is \$19,485. These have not all been in form as required by the Board, but could have been so made, if there had been a possibility of granting them. It is to be expected that these demands will increase rather than diminish, as the field of the Church is ever widening.

How to meet these increasing demands for enlargement and establishment is a question which in theory is easy of solution, but practically it is a problem of great difficulty.

MEMORIAL FUNDS.

This should be made a special feature in this department: The permanency of the funds herein invested should commend it to our favorable consideration. There is no enterprise in which to invest money, where larger dividends may be secured. In this treasury of the Lord it will go on repeating itself and reproducing its blessings from age to age. Since last report we have received from friends and congregations in Lexington Presbytery, in sums of not less than ten nor more than fifty dollars, a Memorial Fund in the name of Rev. R. D. Morrow, D.D. This fund now amounts to four hundred dollars, and is loaned at Oakesdale, Wash.

There has also been placed at our command obligations and cash to the amount of \$—— for a fund in the name of Richard Beard, D.D. The cash appears in the financial exhibit, and is included in the aggregate of cash on hand, and the Board does not agree to recognize the same until the full amount of two hundred and fifty dollars is secured in cash. There is an encouraging prospect for others during the coming year.

LOANS GRANTED AND PAID.

Loans have been granted and paid as follows, viz.:

To Topeka Mission, Topeka, Kansas.....	\$1,695 00
“ Oakesdale Church, Oakesdale, Wash.	400 00
“ Chariton Church, Chariton, Iowa.....	300 00
Total.....	\$2,395 00

Loans formerly reported to the General Assembly by this Board of Missions, except as to Sheffield, Ala., which was charged with \$1,000 in last report, when it should have been only \$950; hence the difference of \$50 between this statement and that printed in last report:

Danville, Ill.....	\$ 2,949 43
Knoxville, Tenn.....	1,500 00
Garden City, Kansas.....	600 00
Cherry Vale, Kansas.....	500 00
San Diego, Cal.....	500 00
Fort Scott, Kansas.....	500 00
Sheffield, Ala.....	950 00
Louisville, Ky.....	400 00
Tyler, Texas.....	225 00
Abilene, Texas.....	200 00
San Antonio, Texas.....	1,800 00
Texarkana, Texas.....	1,000 00
Topeka, Kansas.....	2,077 50

Total made by Board of Missions.....	\$ 13,201 93
Loans made since last Assembly.....	2,395 00—\$ 15,596 93
Balance cash on hand.....	4,942 18
Total.....	\$ 20,539 11

While it does not necessarily belong strictly to this department, yet we deem it of sufficient importance to call your attention to and congratulate the Church upon the fact that this is pre-eminently *the building era* in the history of our denomination. Neat and substantial houses of worship are being erected in many parts of the field. We desire to emphasize the importance of this work and long for the universal prevalence of this building contagion. No congregation, whether in country or town, can long maintain its dignity and self-respect without a house of its own in which to preach its distinctive doctrines and present the claims of its own enterprises. So far as we are advised no effort has heretofore been made to ascertain the exact number of church houses erected during any one year in our Church. This item was included with other questions to Stated

Clerks of the several Presbyteries, and responses were received from fifty-three, showing that we have erected during the year just closed forty-five church houses at an approximate cost of \$119,175.

FUTURE POLICY.

We believe and affirm and ask the General Assembly to declare that the supreme enterprise of the Church is the immediate preaching of the gospel to every creature, and that all boards, enterprises, and organizations are important only in so far as they help to this end.

Believing this, we propose to bend every energy toward this work and shall call upon the entire Church to assist us. We must and shall arise in our strength.

We are determined to try to reach a deeper sense of our obligations in this work and propose to attempt to get within the Church more interest and zeal for this grand work, for which the Master gave his life.

RECOMMENDATIONS.

As information is the basis of all intelligent action, and as the best results can be obtained only by thorough and systematic organization, we ask that you emphasize:

1. The importance of a monthly concert of missions, urging the Churches to observe the same with a carefully prepared programme.

2. The great benefit of Missionary and Church-Erection days in every congregation during the time for offerings to these different causes. And that the Board be instructed to issue tracts, programmes, etc., suitable for these occasions.

3. The supreme importance of presenting the missionary work to the Sunday-schools, and that you again urge them to make monthly offerings for this work as ordered by the General Assembly of 1890.

4. That the Presbyteries and Synods continue the good work begun and hold missionary days at each of their meetings, having a carefully prepared programme for the same.

5. That wherever it is feasible, the Board be authorized to employ Synodical missionaries in each Synod or group of Synods, said missionaries to be under the joint control of this Board and Synodical Committee, which shall determine his duties, fix his salary, and adopt a method assuring his support.

6. We ask you most respectfully to change the time for taking offerings for Foreign Missions to a more favorable time in the year, for we believe as it is now you have the enterprise that is hardest to get offerings for in the very time of the year that it is most difficult to get money for any thing.

7. We ask you to call on the Church for \$45,000, to be distributed as follows: Home Missions, \$20,000; Foreign Missions, \$15,000; Church-Erection, \$10,000.

Now it is to be clearly seen that this is \$5,000 less than was asked for the two enterprises, Home and Foreign missions, last year, but we believe this is nearer the point to labor for with a hope that we will reach it.

8. We recommend that in lieu of all other and former actions of the General Assembly, regulating the lending of the Church-Erection Fund, the following be authorized as the rules under which the said fund shall be loaned by this Board:

(1) The Board shall at discretion lend such sum or sums as it may deem wise, for the purpose of building a church house at any mission station in the home field that may be under its care, but such loan shall be made only on the condition that the unencumbered fee simple title of a lot, upon which said church is proposed to be built, shall be first legally conveyed to said Board.

(2) The Board may, at discretion, lend such sum or sums as it may deem wise to a congregation not a mission station, upon good merchantable security. Provided, that in no case shall any loan be made for a longer time than one year, except on good real estate security.

(3) No more than the interest of that part of said fund, loaned to any congregation shall be permanently donated to said congregation.

(4) No part of said fund shall be loaned to any congregation, except on the condition that said congregation shall first enter into a contract with the said Board to repay the sum or sums so loaned in such installments and at such times as the said Board may determine. Provided, that no loan shall be made for a longer time than five years.

TWELFTH ANNUAL REPORT OF WOMAN'S BOARD OF FOREIGN MISSIONS.

HOME DEPARTMENT.

Another busy year has come and gone, and with it have passed into eternity privileges and opportunities which can never be recalled. Whether these have been fully appreciated and wisely improved is a question worthy of our serious and prayerful consideration. With a prayer to the Most High that the mistakes and trials of the past may prove rich experiences in strengthening and making us wiser for the labors of the year just dawning, we turn our attention first to the

BOARD OF OFFICERS,

noting that some changes have been made. The resignation of one member has been reluctantly accepted—that of Mrs. R. B. Ruston, in the early fall, she having removed to a distant State. Mrs. Ruston served as President for eleven years, and was found faithful in the discharge of every duty, and, although she is not permitted to actively engage in the work, her interest still abides with us, and we remember her to-day with love and sympathy. Mrs. W. J. Darby was chosen to serve the unexpired term, and Miss Margaret Schweitzer was elected to fill the vacancy on the Board.

Mrs. M. J. Parsons, of Newburgh, Ind., one of the charter members of the Board (mother of Mrs. Darby), was called to her heavenly home in July; in her death the Board lost one of its most loyal supporters.

Several changes have been made in Synodical Vice-presidents. In August Mrs. S. L. Trumbull resigned, and Mrs. Rose J. Johnson, of Paris, Texas, was chosen her successor in Texas Synod. Miss Clara McCord was succeeded by Mrs. H. L. Gillogly, of Newman, Ill.; Miss Belle Day by Miss Louise B. Porter, of Uniontown, Pa.; Miss Alice D. Russell by Mrs. J. W. Duvall, of Selma, Ala.; Mrs. A. F. Buchanan by Mrs. J. A. Francis, of Little Rock, Ark. Miss Nannie Caldwell, of Kentucky, and Mrs. J. B. Fitzpatrick, of Tennessee, have given up the office of Synodical Vice-president in their respective Synods, but their successors have not yet been appointed.

A number of Presbyterian Secretaries have laid down the duties of the office, and others have come forward willing to carry on the work. While we are compelled to report a greater number of changes than usual, and the retirement from active service of some who began with the organization of the Board twelve years ago, still we have many signs of promise to cheer us, and we realize that our "labor is not in vain in the Lord."

MEETINGS.

Twenty-four regular and a number of called sessions have been held by your Board. While continued sickness has prevented several of the members from attending, still, although our numbers have been few, all the work has been characterized by earnestness, deep interest, and trustful prayer. Yes, this has been a year of blessing in many respects; yet heavy responsibilities have rested upon us, and now and then anxiety has filled some hearts. We must often labor under disadvantages, and our

failure to secure the amount desired for Home Missions has overshadowed us, and has been faithfully kept before us by those who believe in Home Missions so long as other people do the giving and allow them to do the talking without charge. Many prayers have gone up from burdened hearts that the day may not be far distant when Christian people may give of their means, and place in the hands of our Church Boards the money that will enable them to respond to the urgent calls that this year they have been compelled to put aside, hoping for a brighter day to dawn. Still let God's goodness ever be held in mind, and, although our hopes have not all been realized, we will rejoice in all that has been accomplished.

MONEY,

as above intimated, is an important factor in all Church work, and it is no less needful in the missionary cause. Many longing eyes are turned toward the treasury, which has been well named the missionary thermometer. We began the year by turning the surplus one thousand dollars over to the Assembly's Board for home work. The receipts for the year closing April 15, 1892, were \$12,405.49. This is the largest amount we have ever received, and, although we have failed of the mark set, still, taking many things into consideration, the increase (\$1,191.48) over last year's receipts is excellent. Eleven States or Synods have increased their offerings, namely, Alabama, Arkansas, Illinois, Indiana, Iowa, Kansas, Kentucky, Missouri, Pacific, Pennsylvania, and Texas, while Tennessee, Mississippi, Ohio, and Oregon have fallen below the amount given by them last year. This year, on account of the shadow that has fallen over our General Board, we paid the surplus of \$1,500 to be used for Home Missions over to said Board, as the books closed retaining a sufficient amount to meet the demands upon us from Japan, Mexico, and the Indian Territory, which falls due within the next ten days. Last year as the time came round for the summer remittance to Japan we were compelled to borrow several hundred dollars to pay our just debts. In October the same thing occurred. Will we repeat last year's record? Let us see that a similar statement may never be made.

SPECIAL OBJECTS.

Your treasurer is obliged many times during the year to receive and pay out money for special objects not included in our estimates, and, while these amounts enlarge our receipts, they in no way help us to meet our obligations. What welcome news when a treasurer's letter closes with the words, "use where most needed, or as the Board thinks best."

THE CONTINGENT FUND

grows in favor, and during the past year considerable advance has been made by some Synods and Presbyteries in this regard. Each Synod should plan to meet its own local expenses, and Synodical and Presbyterial officers should urge the importance of the same, as we should not draw upon the general treasury for these things except in extreme cases.

THE PRESBYTERIAL SOCIETIES

have shown marked growth during the year. Some have had to face serious difficulties, but at the end the "footing up" was better than those who seemingly had smooth sailing. A number of Presbyterial Societies have been organized, and will be reported by their respective Synodical Vice-presidents. We are pained to note a falling off in interest on the part of some organizations, but trust it has been caused by unavoidable circumstances and is only temporary. Presbyterial organization has accomplished much, and we hope the women who are now filling the offices in the various Presbyteries will plan a vigorous campaign, seeing to it that aggressive work is undertaken, for we have reached the point where rest is dangerous; we must keep moving, and moving at a rapid pace. A number of the Presbyterial Societies have taken scholarships in the Wilmina School, as

requested by the eleventh annual meeting. Allow me in closing this department to say to the women who are carrying this work that you are always remembered by the Board, and we are confident that of many it must be written, "She hath done what she could."

AUXILIARIES.

Our contributing societies one year ago numbered 524; this year, 638. Total number of societies enrolled, 1,100. Of this number 887 are ladies' societies, 20 young ladies', and 193 children's bands. By subtracting the number of contributing from the total number enrolled you can find how many societies we have on our list that have a name to live, yet must be dead, as they have put forth no effort for the support of the work, having given nothing. Of societies reported disbanded last year, thirteen have been reorganized, and at present seem to be running well. What will be done with the dead and languishing? We know of one last resort; it is to find that one woman, who must be in every congregation, that is willing to take one more duty, if by doing so the kingdom of Christ may be strengthened.

THE YOUNG PEOPLE

and their work have made great advancement since our last report was written. They are beginning to know something of the meaning of the words, "Go ye." Never in the history of our denomination have the youth of our Church done so much actual missionary work. While increase of offerings has not been noticeable, the soil is being carefully and prayerfully prepared, and a rich harvest will be gathered in the near future.

The few young ladies' societies are doing excellent service, and, while other lines of work call upon our young women for assistance, we trust they will not allow any thing to crowd out "woman's work for woman."

The Missionary committee of the Young People's Society of Christian Endeavor is doing much toward the education and training of members of these societies in mission work, and we are anxious to see each organization in the denomination thoroughly aroused on this theme, working along the line of both Home and Foreign Missions. Just here permit a word of caution: Do not allow the two-cents-a-week pledge in the Endeavor Society, our regular dues and offerings in the Woman's Auxiliary and Young Ladies' Society, or the mite boxes and birthday offerings in the children's band to take one cent from our regular offerings, as members of different congregations for Home and Foreign Missions. As women and girls, let us hold in mind that our work is extra—extra because of what the gospel has done for women. We have already mentioned that our children's bands numbered 187. Their united gifts this year amounted to \$1,298.04. The Joy Bells Band, of Lebanon, Tenn., have contributed \$87.55, making them the banner band in point of giving. The work of the children has seemingly been very much neglected, mostly because persons could not be found who were willing to take charge of the band and push forward the work. Still, we are not yet converted to the idea which some have that this method of training the children should be put aside, as we have numbers of wide-awake children's societies, and they have been very successful, especially by the plan of "turning a penny." The children should be given some special work for the year. What will it be? Again let us plead for willing-hearted women to undertake the service of training the youth in a knowledge of missionary work and teach them to give and pray for it.

PUBLICATION.

The Woman's Department of the *Missionary Record* has continued its way, and many appreciate its helpfulness, as our workers have filled its pages with interesting matter; still we really need more room if the department accomplishes the desire of the Board. Would that we might report the missionary organ of our denomination self-supporting, but in this we are disappointed. We now have twenty-eight hundred subscribers. However, very many of our societies have labored faithfully to increase the cir-

ulation, and to the women much of the credit is due that the subscription list numbers what it does. The *Missionary Banner* is nearly self-supporting, as only \$31.70 has been paid from the Board's Treasury for this purpose. Number of subscribers in combination with *Gem* and *Crusader*, 7,988. In clubs and single subscriptions, as shown on books of Woman's Board, 869. Total, 8,857. A number of leaflets have been issued, and we have renewed by reprint and re-purchase several, and have, as last year, an alphabetical list of all our publications, together with a number of books, which we would be glad to loan societies, asking only that they pay postage.

The "Calendar of Prayer," published for the benefit of missionary workers, met with a hearty welcome, and we hope another year to be under the necessity of planning to issue a larger number.

MISSIONARIES.

The work of the missionaries on the field will be reviewed in the foreign secretary's report, but we must mention that since last report two of our representatives, Misses Duffield and Leavitt, have returned to the home land for a period of rest. It is expected that Miss Duffield will sail for Japan near the first of June, while Miss Leavitt will remain in this country until fall at least. These dear young women have rendered valuable aid by visiting Synods, Presbyteries, and Auxiliaries, telling of the needs of the fields where they have labored so long. Who can estimate the good of these visits? We are even now seeing some of the results.

We are glad to welcome to the home land Rev. J. B. Hail and family. It is a great pleasure to have Dr. Gordon and Brother Hail with us to-day, but we are greatly disappointed in not being able to look into the faces of dear Mrs. Hail and the boys, whom we all love.

MISCELLANEOUS.

One thousand dollars has been appropriated for work in Mexico and in a short time we hope to have our own representative in that field. Rev. F. P. Lawyer and wife have been diligent during the year in keeping the readers of the *Missionary Record* informed of the condition and needs of the mission.

Mrs. S. S. Phelps has labored under many disadvantages in the Indian Territory, still the work moves on, and she ever needs the prayers of the missionary workers.

We have had twenty-five hundred orders for literature since last report, and if wisely distributed, surely we may look for large results. Nearly fifteen hundred copies of the Annual Report have been mailed to societies and individuals. Surely no society can accomplish the end desired without the help to be derived from these reports and our missionary publications.

All seem to be well pleased with the topics suggested for uniform study, and we notice that the auxiliaries that are diligent in using them report a growing interest. We fear that some of our solicitors have not labored as faithfully this year as previously, but we need no oracle to assure us that many obstacles confront them. "One of you shall chase a thousand, for the Lord your God, he it is that fighteth for you, as he hath promised you."

The Sabbath evening hour of prayer has been faithfully remembered, while the calls made by the Board for special service of prayer, thank offering meetings, etc., have been observed by numbers of auxiliaries and bands.

FRAGMENTS.

"And they took up the fragments that remained." What will we do with our country congregations? We need their help and they need the benefit to be gained from such service. Many societies in the country do succeed. Then why not have a society in each congregation? Secure a copy of the annual report, borrow your pastor's book—the Minutes of the Generat

Assembly—compare our statistical report with the list of churches given in the Minutes, and count the number of congregations where nothing has been done for woman's work. Some societies use envelopes for systematic giving. Did you know that women often refused to pledge a certain sum weekly because it is too much trouble? Dues should be collected at the close of each quarter. The vagueness that once surrounded the work is giving way to knowledge of facts. Leaders desire to know the best way to secure interest and money. We still feel the lack of plans, of business, of information in auxiliaries. Poetical, historical, and business calendars are read, why not missionary? Reluctance on the part of so many Christian women to take places of responsibility as leaders hinders the work. The lay-by-envelopes would prove helpful. If each woman in the bounds of our denomination would give two cents a week for For-ign Missions, what the result? How easily our church work could be done if each member felt her responsibility and privilege. To this end let us labor and pray. Did some one say systematic giving, a definite amount to be given, was one of the secrets of all-time growth in our societies? Another secret is prayer, and this every Christian woman can give to the work. It requires neither intellect, wealth, position, nor talent of any kind—simply “the will to do it, a strong desire and faith of a little child.” It is better to set ten men to work than to do the work of ten men. The society is, therefore, most successful and far-reaching in its plans that enlists the individual member. Prayer is the most important feature of all missionary work. Maps, pictures of missionaries, a library—how could you use them? A new society writes: “We have n't yet heard, ‘I do not believe in foreign missions’”—a good place for the headquarters of a Board of Missions.

But we must hasten on and leave many baskets full of fragments to be gathered at some other time.

CONCLUSION.

And now, beloved, the books are closed; the record of our work is on high, and only the last day can reveal the results entire, but let us remember that “it is not by might, nor by power, but by my spirit: saith the Lord.” We need the Spirit in our hearts, and in the hearts of our people, to awaken conscience. In Christ's name let us undertake larger things in the year before us, for the cry for help grows louder, clearer, more imperative. Is our cry to be, Where are the women ready to go to the front? Nay, but rather, Where is the money? O Cumberland Presbyterian women—women of this great country—pray over these things, and if the Father desire your services or your child, do not say him nay.

FOREIGN SECRETARY'S REPORT.

O that men would praise the Lord for his goodness, and for his wonderful works to the children of men. . . . For he commandeth and raiseth the stormy wind, which lifteth up the waves thereof. . . . Then they cry unto the Lord in their trouble, and he bringeth them out of their distresses. He maketh the storm a calm, so that the waves thereof are still. (Ps. evii. 21, 25, 28, 29.)

Looking over the record of the twelfth year of our work, we find many things that seem to us discouraging. The terrible earthquake in Japan, sickness among our missionaries and native workers as well as pupils in the schools at various points, seem to us to have interfered with the plans of work for the year, but to the Father who seeth the end from the beginning, all these are but parts of his great plan. He who stilled the waves on the shore of Galilee can use all these as so many open doors to the hearts of the people. We rest in the comforting assurance that to them that love God all things work together for good.

INDIAN TERRITORY.

Here we find Mrs. Phelps in the usual school work. Owing to the difficulty of retaining the children in school, there is a wide variation in the attendance, as indicated in the following report:

Total number enrolled for the year.....	62
Males.....	39
Females.....	28
Largest attendance any month (October).....	49
Smallest attendance any month (April).....	20
Highest average attendance (September).....	40½
Lowest average attendance (March).....	17
Total number of boarders.....	21
Highest number at any time.....	12
Boarding pupils with us now.....	2

The attendance at the Sabbath-school has not been very large, but it has been kept open all the year. They use our own literature and pay for it themselves. As to the majority of our Sabbath-schools they find it difficult to arouse interest among adults, hence there are few parents in the schools.

MEXICO.

Hitherto we have had no direct representative in Mexico, but now we have one who hopes soon to go to that field. Miss Mary Harris, whose consecration services occurred at Albion, Ill., May 1, is with us to-day. The appropriation for school work in Mexico last year was one thousand dollars.

One of the missionaries writes: "We can see a gradual but slow onward movement in our work here. English teaching brings me into contact with many more people than I could otherwise reach. When my work seems to drag I am greatly helped as I read how the Lord is rewarding the labors of his servants with a goodly increase in other mission fields. My soul is cheered with the hope that the time for our visitation may not be far away, and I labor on with new zeal."

JAPAN.

THE WILMINA GIRLS' SCHOOL.

Miss May Morgan, who, with her sister Agnes, has had charge of this school during the past year, makes the following report:

Number of school days.....	190
Number of pupils enrolled.....	50
Average attendance.....	36
Number of boarders enrolled.....	35
Average attendance.....	25
Amount paid for teachers and help.....	\$474 50
Amount paid for running expenses and for repairs.....	724 27
Amount received from pupils.....	760 47
Appropriation asked for next year.....	600 00

In reviewing the work of the year we find many reasons for thankfulness, a few of which we will briefly enumerate.

Our principal source of strength is in our boarding department, and we are glad to know that it has never been stronger than this year. When we see other girls' schools with ample accommodations for one hundred pupils having but from twenty to fifty boarders, we feel that if they are not discouraged—and as yet they show no signs of abandoning the work—far less need we be, who can not without unhealthful crowding accommodate more than thirty-five boarders.

We are sparing no efforts to make Wilmina Girls' School a success in the best sense of the word, a true Christian home for girls, many of whom but for it would never know the meaning of the word home.

We are trying to make it a school where the pupils are taught that every power of body, mind, and soul is God-given and fails of its end unless used in his service.

Other reasons for thankfulness are the harmony that has prevailed between teachers and pupils during the year, and the growing evidence of the Christian development of the great majority of our pupils and of the convicting power of the Holy Spirit in the hearts of some who are not yet willing to give up all for Christ.

On the whole, in spite of upheavals of land and of people, in spite of the unavoidable changes that have been made in the school during the past year, we rejoice to know that it is steadily doing its good work for the young women of Japan, and we ask in its behalf no diminution of your prayers and offerings, hoping that it may do more for the Master next year than ever before.

MEDICAL WORK.

The Medical Department has opened up encouragingly. Our medical missionary has found open doors on every hand. Besides being of service to our missionaries and the pupils in the school, she has had many other patients, as the report will show.

At the dispensary she has a sewing and knitting class, then a Bible lesson and music. She then treats any who are sick. She gives a lesson in physiology and hygiene in the school daily. If time permitted we might tell of cases wherein administering to the bodily wants has led to helpful conversions about Christianity.

The Secretary of this department submits the following record of the work done:

A summary of the medical work done in Osaka and vicinity during the seven months ending January 6, 1892:

Number of cases of influenza treated.....	64
Consumption	40
Dysentery	46
Miscellaneous.....	113

Dr. Gault says: "Some of these cases were very interesting. The difference between the Christian deathbed and others is more marked than at home. The dull listlessness we see is in striking contrast with the hopeful, happy Christian's death. In medicine, as in other Christian work, we have the Buddhist priesthood to contend with. One beautiful girl in our school was stricken with pneumonia. She was brought to the hospital, and when in a fair way to recover her father consulted magicians who said he must take her away, as the sticks with which they try the fortunes of the people all fell in the opposite direction from my house. So Sunday morning they removed her to a Buddhist temple. She has recovered and returned to thank me, and brought a nice present. I have been called to several families where they wish to know something of Christianity. In one home are two beautiful daughters whose parents have permitted them to attend the Christian Endeavor Society at my house.

"I have been asked to consult with a Japanese doctor who accepted some Christian tracts, and when I went to his office I found them on the table in the waiting room.

"I could multiply instances, did time permit me to do so, to show that the work has its bright as well as its discouraging side."

UNO IGA.

Mrs. Drennan's labors in this field have been so blessed by the presence of the Spirit that much of the prejudice against Christianity has disappeared. You remember that this station was only opened in September, 1890, and no one had ever taught these people the way of salvation. During 1891 there were thirty converts baptized, and others are candidates for baptism. We may mention that among these converts is an aged man whose years number eighty, and he rejoices that the way of life was explained to him ere it was too late. Two of the young men feel that they are called to

preach the gospel. During Mrs. Drennan's severe illness in the summer Matsuda San and Kirnura San, the two theological students who were mentioned in connection with this work in last year's report, carried on the work. One or the other of these young men spends one Sabbath in each month at this place. Mr. Hudson is there one Sabbath every two months. The remainder of the time Mrs. Drennan has sole charge of the work, with only the assistance of native workers so recently converted. There are some thirty women connected with the woman's work. Three Sabbath-schools are maintained. Mrs. Drennan has a meeting every night in the week except Monday, and gives from two to four Bible lessons each day. The converts are very true. We are glad to report that Mrs. Drennan's health is much improved.

YOKAICHI.

Our faithful missionary, Miss Rezner, who is still laboring in this field, reports that the work is spreading. The earthquake has seemed to open the way to the hearts of the people. The evangelistic work has increased so that it must have more attention in the future. God has indeed opened to us new avenues of work, and many are the opportunities for doing good.

The school here has been quite prosperous, and a great help to the Church, for, as indicated in the report, one half of the membership has come from the school.

The following is the report for the last two quarters:

Whole number of school days.....	99
Number of pupils enrolled.....	53
Average daily attendance.....	38
Number remaining at close.....	53
Number of classes in school.....	6
Number of boarding pupils.....	2
Number of pupils doing missionary work.....	4
Number of pupils baptized.....	3
Number of pupils that have become Christians.....	2
Number of Bible classes taught.....	5
Number in Bible classes.....	40
Number of Bible lessons given.....	167
Number of visits made (last quarter).....	20
Number of stations visited.....	1

WAKAYAMA.

After the departure of the Misses Duffield and Leavitt this field was left without a missionary. A native pastor has charge of the regular Church. Rev. and Mrs. Van Horn have been there a few months. Mr. Van Horn is keeping up the work in the surrounding villages and at the house of an old lady who is too far away to attend Church. Good services are reported. Two of the prominent ladies of the Church are managing a school for poor children, in which Mrs. Van Horn's helper assists.

We trust that by another year Mrs. Van Horn's health will be so much improved that she will be able to enter more actively into the work, and all her many friends in America will rejoice to know that she continues to grow stronger.

CONCLUSION.

In the rapid survey of our mission fields we find most of our representatives suffering from overwork, and we still hear the call for more laborers. Would that we could send out a young woman to accompany Miss Duffield on her return to Japan. But if the messenger was ready have we the means to place another one in the field? The year has been a fruitful one, for seed long planted has sprung up and is bearing precious fruit, and our untiring workers are bringing their sheaves with them. When so many fields are whitening unto the harvest we look on all sides and say, "How and when will we send the reapers?" Our Father has an infinite patience with us, his children, and is calling more loudly than ever before that they who believe in him should, with increased zeal and without ceasing, continue their work of faith and labor of love and patience of hope in our Lord Jesus Christ.

AUDITOR'S REPORT.

The undersigned, having carefully examined the books of Mrs. J. C. McClurkin, Treasurer of the Woman's Board of Missions of the Cumberland Presbyterian Church, and compared the vouchers with the same, finds the same correct.

I also commend the accuracy and the system with which the books are kept.
S. B. SANSOM, *Auditor*.

 REASONS WHY THERE SHOULD BE AN ORGANIZATION IN EVERY CONGREGATION.

1. The command, "Go ye into all the World and Preach the Gospel to every Creature," is as binding upon each disciple as "This do in remembrance of Me."

2. To Christianize woman is the first step toward Christianizing a people. If the next generation is to be Christian, the women and children of to-day must be enlightened and converted, and to do this Christian women must be sent to them in largely increased numbers.

3. In most heathen lands, women are kept in such seclusion that the gospel of Christ can be taken to them only by women. The secluded women in Eastern nations are one half of all the women of the earth.

4. The women of our congregations need to be awakened and enlightened as to the magnitude and importance of this work. This can be most effectually done by organized societies, since by this means a deeper interest may be aroused, and missionary intelligence be more thoroughly disseminated.

5. Such a society cultivates systematic benevolence, and is helpful to every department of Christian effort. Small sums are thus gathered regularly, and the aggregate will be large. At the same time this does not detract from, but will rather increase the contributions of the congregation for other causes. It is not expected that this Society will do away with the regular public collections for Foreign Missions. These will be taken as usual, so that all may have an opportunity to aid in sending the gospel to the heathen.

6. People will be prayerful, consecrated, and liberal on the great subject of Foreign Missions in proportion as intelligence increases. Such a society, conducted as it should be, will cause the subject to be discussed in the Sunday-school, the prayer-meeting, and every family of the congregation.

7. The children will thus be trained to love and labor for the cause of Foreign Missions. With little effort, under the influence of a woman's society, they may be successfully organized into Mission Bands. The good effect upon their future and that of the Church would be incalculable.

8. The organization of missionary societies among the women of the Church tends to bring their minds to a due sense of their responsibility in this regard, and opens the way for young women to go to heathen lands. It causes those who go to be sustained, not only by material aid, but by the peculiar moral support of woman's sympathies and prayers.

II.—PUBLICATION AND SUNDAY-SCHOOL WORK.

REPORT OF THE BOARD OF PUBLICATION AND SUNDAY-SCHOOL WORK.

To the General Assembly of the Cumberland Presbyterian Church :

REVEREND AND DEAR BRETHREN: Since your last annual meeting John M. Gaut, Esq., who so long and faithfully served this Board, resigned as President and as a member of your Board of Publication and Sunday-School Work. Rev. J. C. Provine, D.D., was elected President. Selden R. Williams, a ruling elder of our Church, was elected a member of the Board, and later Vice-president. The continued ill health of Rev. W. J. Darby, D.D., preventing him from assuming the active duties of General Manager, he tendered his resignation as such, and John M. Gaut, Esq., was elected to fill the vacancy.

THE NEW BUILDING.

Since the last meeting of the General Assembly the new building has been completed. Although the contract with the builders required the manufacturing department to be finished by January 1 and the office department by May 1, 1891, yet the former was not ready for occupation till about May 15, and the latter toward the close of the year. For the rent which we were thereby compelled to pay to our late landlord, and that which we failed to realize on the new building, we required the contractors to abate their price to the extent of \$1,011.88. This does not fully repair the loss caused by the delay, but the settlement was made in a spirit of compromise. The building and its appointments, so well adapted to their uses, and the former so beautiful and imposing in its appearance, command the just pride of every Cumberland Presbyterian. Here the Church's publishing work has a permanent abiding place; a workshop furnished with facilities for excellence and economy, a home in keeping with its dignity and importance. It is a permanent heritage which will pass to future generations. In building it and, by its patronage, paying for it, this generation will furnish monumental evidence of its progress in the upbuilding of the Master's kingdom.

The cost of the building is as follows :

Paid for foundation.....	\$ 3,795 12
“ on general contracts.....	58,037 58
“ to architect.....	1,950 00
“ for passenger elevator.....	2,994 18
“ “ freight elevator.....	655 00
“ “ fire escape.....	189 87
“ “ sidewalk.....	195 26
Expense of engraving bonds, expenses of mortgage, abstracts, court costs, expenses of selling bonds, etc., and interest on bank loans accruing before completion of building.....	2,328 81
Interest on bonds accruing before completion of building	1,457 75
Total.....	\$ 71,603 57

To this sum is to be added the value of the lot on which it stands, which actually cost \$10,000 and is worth considerably more. The value of the whole investment is, therefore, \$81,603.57.

The cost of the building, as above stated, includes also over \$2,000 of expenditures for what may be regarded as fixtures and appendages to rather than part of the building. Excepting about \$7,249.33, it has been paid for in cash; for the sum named the contractors took the notes of the Board on short time. To make the money with which to pay these notes to the contractors and the loan notes due our bank is the work of the year. In this work we want to enlist the aid of every minister, member and friend of the Church. The cause should call forth their zealous efforts. The property to be paid for is the property of the Church. It is worth every dollar that it cost. It is consecrated to a cause dear to us all. With a generous effort upon the part of the Church the profits of another year will extinguish the greater part of what remains unpaid. To withhold this effort would be unworthy of Cumberland Presbyterians, and would seriously embarrass the cause of publication. This cause has, we think, the right to expect the patronage and assistance which the exigencies of the situation call for.

BONDS AND RENTS.

All of the \$50,000.00 of the bonds have been taken, with the exception of \$2,300.00, which parties agreed to take, but owing to the scarcity of money were not able to make expected collections, and therefore could not pay for them. The entire interest on the bonded debt, when these are sold, will be \$3,000.00 per year. The apartments in the new building which are rented out yield an annual rental of \$3,432.00. Some of them are rented for five years, some for three, and some for only one. It will thus be seen that the rents are sufficient to more than pay the interest on the bonded debt.

REAL ESTATE.

The Board still own, adjoining the new building, about thirty-seven feet of ground, for which they have been offered about \$10,000, and which they consider worth more than that. On this is situated a residence which rents for \$600, with a prospect for increased rent next year. There is due on this lot to the parties from whom the Board purchased it about \$4,500, which is bearing only six per cent interest. The rent of the house easily pays this interest and the taxes and insurance. The Board also still owns the real estate near Independence, Mo., which was the generous gift of Mr. and Mrs. Chambers, and which the Board values at not less than \$15,000.

SUNDAY-SCHOOL PERIODICALS.

The circulation of the Sunday-school periodicals is steadily increasing. Their circulation at present is about as follows:

Bible Study.....	3,550
Comments.....	36,000
Rays of Light.....	28,250
Lesson Leaf.....	23,000
Gems.....	16,000
Our Lambs.....	28,000

There is, however, room for a considerably larger increase in the circulation of these periodicals. The report of the General Superintendent will, doubtless, throw much light on this subject.

CUMBERLAND PRESBYTERIAN.

The subscribers to this periodical number now about 11,200. It has not, at least, lost any of its former excellence, and in the opinion of the Board is one of the ablest religious newspapers published by any denomination. It is worthy of a larger patronage, and the entire interest of our denomination demands that it should receive it. We can only emphasize anew what has been said in the past as to the importance and feasibility of extending its circulation. During the coming year renewed efforts will be made toward this end. The Board must look, and will look, largely to the ministry

as the agency through which this work is to be accomplished. The Board will do all that can be done through their own agencies, but it is only when the pastor, who comes in personal contact with the people, is in full and active sympathy with the work that it can be successfully accomplished. We therefore most earnestly bespeak their zealous co-operation. It will benefit them in their local work no less than it benefits the general interest of the Church and the pecuniary interest of the Board.

CUMBERLAND PRESBYTERIAN REVIEW.

This periodical has only three hundred and twenty subscribers, and if no more are secured this year it will be published at a loss of about \$400 per year. Reasonable efforts have been made to extend its circulation. The Board, therefore, believe that this periodical should be discontinued, and will do so unless ordered otherwise by the General Assembly.

JOB WORK.

The business depression of the past year has materially affected the job work of the House. The institution is now prepared to do the very best work that is done in the country. We do not hesitate to compare specimens of its book making with those of the Eastern and Western houses. The merits and prices of our work, with the revival in business which is taking place, we are assured, will very soon build up a large increase in this source of revenue.

BOOKS.

During the year the House has turned out the following books belonging to the Board, viz.: "The World and How to Take It," "Sunday-school Class Books," "Preacher's Register," "Sparks From a Backlog." We have also published for other parties a number of books of value, some of which are being sold by the Board on commission.

"The Doctrine and Genius of the Cumberland Presbyterian Church," by President A. B. Miller, D.D., is now nearly ready for the bindery. The delay in its publication has been caused by the unavoidable delay of its author in furnishing the manuscript.

The manuscript of "The Church at Work in the Sunday-school," by Prof. A. R. Taylor, President State Normal School, Kansas, is now in hand, and will be issued within the next few months.

To their own publications the Board have added a small number of books of distinguished merit issued by other publishers. These books embrace fields not covered by the Church's own publications, and the range of its literature is thereby enlarged. They are sold to us at remunerative prices. We hope during the year to largely increase our book sales. We will thereby increase the revenues of the House and, what is more important, we will largely promote the intellectual and religious culture of the Church. Could we do nothing during the coming year save to place a few of our best books in every family in the Church we would accomplish a greater work than has ever been done in any year of our existence. An effect on our people would thereby be produced second in results only to that of the ministry itself. The consecrated intelligence resulting would be felt in every department of Church, local as well as general.

DEPARTMENT OF SUNDAY-SCHOOL WORK.

During the past year the Board have relieved Dr. De Witt of all of his editorial work except that of editing *Bible Study*, thereby surrendering at least two thirds of his time to his work of General Superintendent of Sunday-schools. They have consequently paid two thirds of his salary out of the Children's Day Fund, and the remaining one third out of the Publishing House funds. Out of the remainder of the Children's Day Fund they have supplemented the salaries of the following persons devoting part of their time to Sunday-school work in various Presbyteries and Synods, viz.: Revs. J. M. Keeton, R. W. Lewis, J. E. Sharpe, W. B. Witherspoon, Prof. H. M. Steidler, and Brother O. E. Hannah.

In view of the large demands which the publishing work makes upon the time and energy of this Board, they respectfully submit to your reverend body the propriety of establishing a permanent committee to take charge of the Sunday-school work, including the appointment of a General Superintendent.

FINANCES.

The net profits of the financial year, as shown by the balance sheet, are \$979.84. The real profit, however, is greater than this, and the diminution arises from decreased values placed on some of the assets, particularly on some of the older books which had become shelf-worn, and a portion of which had been sold and the remainder valued at much lower prices than the valuations of last year. Ignoring the apparent losses by reduced valuations, the actual profits of the business is \$7,405.64. Taking into consideration the general depression in business, the financial results are by no means discouraging.

This has been a year of unusual business depression, and we are free to say that the business of the Publishing House has not been as profitable as was desired and hoped for, but whatever of disappointment has been experienced should have no other effect than to prompt us to new and increased efforts for the future. With feelings of this kind we ask the Church to enter with us upon a new year's work, praying to our heavenly Father for wisdom and strength, and trusting without fear for the result.

III.—MINISTERIAL RELIEF.

ELEVENTH ANNUAL REPORT OF THE BOARD OF MINISTERIAL RELIEF OF THE CUMBERLAND PRESBYTERIAN CHURCH.

To the General Assembly in session at Memphis, Tenn. :

FATHERS AND BRETHREN:—Another year of tender, helpful ministry to the beneficiaries of your Board of Ministerial Relief has closed. It has been to us a happy year, because it has brought the joyous privilege of extending in behalf of the pastors and people of the whole denomination that help which has made lighter the cares incident to old age and affliction in scores of sorrowing homes. What has been accomplished is far short of what we would like to see done in the name of our blessed Master for the comfort of these his servants who have so faithfully preached his gospel, but are no longer able to stand in their place on the walls of Zion.

We would regret to think that these dear brethren regard what is done for them through this channel as a full measure of the estimate placed by the Church upon the work they have done. The largest amount that has been paid to any family during the year is \$223. Only eighteen have received \$100 or over, and seventeen have received less than \$50. The average amount paid to each family is \$67. You will readily agree, and so will the entire denomination, that this average ought to be more than doubled.

OUR BENEFICIARIES.

The number of those now receiving aid from the Relief Fund is eighty-eight. These are distributed by States as follows: Alabama, Arkansas, California, Florida, Georgia, Illinois, Indiana, Iowa, Kansas, Kentucky, Louisiana, Mississippi, Missouri, Pennsylvania, Tennessee, and Texas. We have notice that other applications will soon be in, and there will necessarily be a steady increase in the list. We submit for your examination the application forwarded by the Presbytery in each case, and desire your committee to look carefully into the details and determine for yourselves the worthiness of those to whom appropriations have been made.

THE OFFERINGS OF THE CHURCH.

The number of congregations contributing to the Relief Fund the past year is 1,322. The aggregate of the contributions is not so large by several hundred dollars as it was last year, but there is nothing discouraging in this fact, as we are sure there is no diminution of interest in this important part of our Church work. Throughout the "cotton section" there has been a severe financial depression which has caused material decrease in the amount of the contributions, but we are happy to say that the people show their love for this cause by giving what they can even in the face of the "hard times" through which they are passing.

To the pastors, Churches, and individuals, who have co-operated with us so heartily this year, we are prompted to say "Well done," especially when we consider the warm and generous spirit that has accompanied their offerings for this cause. Certainly there has been a grand improvement when we consider the fact that ten years ago the whole denomination gave less than \$500 to this fund and less than one hundred congregations responded to the call of the General Assembly for collections. Considering the

marked progress that has been made during this decade, we can surely thank God and take courage.

The following statement by Presbyteries and Synods shows the number of congregations that have contributed and the number that have not contributed during the past year, also the amount contributed and the amount drawn out by each Presbytery:

[See Statistical Tables for contributions by congregations.—T. C. B., S. C.]

We take interest in noting that a contribution has been received from every congregation in Nebraska and Indiana Presbyteries, and in this respect these are entitled to be enrolled as "Banner Presbyteries" for Ministerial Relief.

It is an encouraging fact to know that all the Presbyteries of the Church have done something for this noble cause except three. These are East Louisiana, San Jacinto, and Trinity.

SUGGESTIVE COMPARISONS.

We have been impressed frequently with the fact that many Presbyteries have drawn from the Relief Fund much more than their congregations have contributed. On looking over the figures we find that sixty-one Presbyteries are represented on our list of beneficiaries, and that thirty-five have drawn out more than they contributed, and twenty-six less. Of course it is to be expected that some Presbyteries will need for their disabled ones more than they are able to contribute. In no case would the Board make any complaint on this subject against any Presbytery, but we are prompted to call attention to these figures, hoping thereby to quicken the friends of the cause to increased liberality in many parts of the Church. A Presbytery in Louisiana gave \$35.35 and drew out \$150; one in Missouri gave \$22.60 and drew out \$225; one in Arkansas gave \$56.48 and drew out \$195; another in Arkansas gave \$86.83 and drew out \$263.25; another in Arkansas gave \$23.90 and drew out \$175; one in Texas gave \$117.70 and drew out \$222.60; another in Texas gave \$20.70 and drew out \$100; another in Texas made no contribution and drew out \$75; one in Pennsylvania gave \$92.96 and drew out \$147. Let not these figures be used as a reflection upon congregations in any Presbytery, but rather to arouse the people to do more in behalf of this fund, that they may realize how much more blessed it is to give than to receive.

PROPOSED CHANGE IN THE RULES.

The experience of the past year has suggested only one amendment to the rules under which the work of the Board is carried on. At present an application for aid for a minister's widow comes only from the Presbytery of which the minister was a member at the time of his death. We suggest that you so amend the rule as to require the application to originate with the Presbytery of which the minister was a member at the time of his death, and also that it be indorsed by the Presbytery in the bounds of which the widow resides at the time the application is made. Also that when a case is passed upon by the Board it shall be transferred to the Presbytery in the bounds of which the widow resides, unless there are special reasons to the contrary. Thus the Board will become possessed of the most reliable information possible concerning the present condition of all such applicants. We suggest also that the same rule be made to apply to a minister residing in the bounds of another Presbytery, except that his case shall not be transferred from the Presbytery to which he belongs. While we wish, in the name of the Church, to be as generous as possible in the distribution of this fund, we desire that the utmost care may be exercised in determining who are worthy to receive aid.

STANDING COMMITTEES.

In the administration of this trust much depends on the efficiency of the Standing Committee in each Presbytery. We request you to enjoin upon every Presbytery not only to have a standing committee upon Ministerial Relief, but to see to it that this committee is composed of efficient men who will do their duty promptly and conscientiously.

CORRESPONDING SECRETARY.

In August of last year Rev. J. H. Miller resigned the position as Corresponding Secretary, which he had filled with such signal ability and with marked acceptance to the Board and to the whole Church for three years.

We regretted very much the loss of Brother Miller's services in this capacity, but were glad that this loss consisted simply in the transfer of his eminent abilities to a similar office in another Board of the Church.

The duties of the Corresponding Secretary of the Board were performed for a time by Rev. A. G. Bergen, one of its members. About the first of October Rev. W. J. Darby was chosen Corresponding Secretary, he having retired, on account of long illness, from the position of General Manager of the Publishing Work of the Church. He took the position at the same salary that was paid to Brother Miller, and has been able, with steadily increasing strength, to perform the duties of the office up to this date.

CHANGES IN THE BOARD.

On account of ill health Hon. Alvah Johnson resigned his place on the Board. The vacancy was filled by the election of James M. Davidson. On becoming Corresponding Secretary, Rev. W. J. Darby resigned his membership on the Board, and the vacancy was filled by the election of C. F. Hopkins, a Ruling Elder in our Church at Newburgh, Ind.

In order to promote the efficiency of the Board by enlarging the number of those who could attend its regular monthly meetings and take part in all its practical work, Rev. J. S. Grider, D.D., of Bowling Green, Ky., and Ruling Elder B. Bransford, of Owensboro, Ky., resigned the places they had filled so acceptably since the Board was first organized. David A. Nisbet and J. C. McClurkin, M.D., were chosen to fill these vacancies. We ask your approval of the action of the Board in each case.

J. E. Williamson, Esq., was made Vice-president of the Board instead of Dr. Grider, resigned

A WOMAN'S DEPARTMENT.

During the past year the Board determined to establish a Woman's Department, this being done by the following action:

"Since the work of the Board of Ministerial Relief is for the household, we are impressed with the belief that much more may be done for the families of our beneficiaries by direct donations from the ladies of the Church. We are pleased with what has been done by them so far and trust that we may at once see a general movement of this nature among the ladies of the whole Church.

"With the approval of the General Assembly, the Board directs that a Woman's Department shall be established, and that proper effort shall be made to enlist ladies of the Church to co-operate regularly with the Board by making donations of clothing, food, and household articles, or cash, if they prefer, for the families who receive aid from the Board, the ladies of each congregation being at liberty to choose the methods by which and the persons to whom their donations shall be made."

The work of the Woman's Department was placed in the hands of Mrs. W. J. Darby, wife of the Corresponding Secretary, and a statement of what has been accomplished in this direction is herewith presented as a part of this report.

THORNTON HOME.

In our judgment Thornton Home presents to the ministry and membership of the Cumberland Presbyterian Church one of the most beautiful pictures which it is their privilege to contemplate. As the institution has been open only a little more than a year, the number who have taken advantage of its privileges is as yet comparatively small. Eleven persons composed the membership of the family during the year.

Others are preparing to come to this delightful retreat, and in due time we doubt not that its space will all be occupied. Among our disabled ministers and the widows and orphans of deceased ministers there will always be some who will neither have a home nor friends to care for them. It is certainly cheering to know that in every such case the Church provides here a home that is supplied with every needed comfort. This is not in any sense a "public charitable institution," but is rather a family residence—a real home where all feel themselves to be members of one family. As this Home proceeds to make the noble record which we think is in store for it we feel sure that the whole Church will look upon it with thankfulness and delight.

From the grounds attached to the Home we expect to be able to supply a large part of its necessities. The expense of its maintenance must, however, be considerable. As the value of such an institution becomes manifest, we hope there will be generous-hearted persons throughout the Church who will make special gifts or bequests toward a fund for its endowment.

Already one of our honored and aged ministers, Rev. A. H. Berry, has here closed his earthly career, finding in this Home the restful quiet and peace that added much to the comfort and happiness of his last days. Already widows of ministers who have fallen at the front are enjoying here a life free from anxiety and care, a fitting testimonial of the Church's appreciation of the faithful services rendered by their husbands in the days of their strength. Here, too are orphans who are realizing the fulfillment of that beautiful Scripture sentiment, "When my father and my mother forsake me the Lord will take me up."

Five years ago a dying mother left three little girls, one of them an infant, to the care of a father, who was himself wasting away with consumption. A year ago he became so helpless that he could do nothing for his children. He determined to come to Thornton Home with his sacred charge, but found he was not able to endure the fatigue of the journey. Bidding the little ones "good-bye," knowing he would see their faces no more, he put them in the hands of the Board at Thornton Home. Two months ago he passed to his reward of rest and blessedness in heaven. Many were the letters he wrote and dictated to the children and to the Board, and he was always happy in the thought that his precious charge was being cared for by the Church and that when he was gone his children would not only never be allowed to suffer but would be trained and educated for useful, Christian lives. Does it not rejoice your souls, fathers and brethren, to know that you are able to meet such an emergency as this and all of a like nature that may arise in the future?

An aged minister, past four-score years, who is made comfortable and happy at the Home, said the other day, "I have as good a home as any minister in the Church, and no man on the continent is surrounded by better friends." We try to impress those who come that Thornton Home belongs to them, and that by virtue of the faithful service rendered the Church by our ministers their families have earned the comforts they here enjoy.

It is well for us to remember the injunction given to Israel in the earliest days of the Church, "See that thou forsake not the Levite as long as thou livest on the earth."

Assuring you of our sincere desire to administer this trust with cheerful obedience to your orders and with affectionate regard for the interests of those for whom it was established, we are

2. The person applying must not be helpless, nor possessed of a disagreeable malady, as it is not deemed wise to try to run a hospital. Should any one become helpless after going to the Home, he will be cared for in every way that is possible to the conveniences of the Home.
3. The Board reserves the right to remove any person whose conduct or condition may be disagreeable to a majority of the occupants of the Home.
4. Applications for a place in the Home shall be made directly to the Board of Ministerial Relief.

The form of application shall be as follows :

..... 189...

The Committee of the Presbytery of
 on Ministerial Relief hereby recommend to the Board of Relief
 for admission into the Thornton Home

The committee believe this person to be a proper subject for admission, the three prime requirements being met in this case, namely: First, being a worthy person; second, not being helpless, and free from a malady; and third, a person of such a disposition as to get along agreeably with the other occupants of the Home. We agree, that, after this person becomes an occupant of the Home, should the management find that we have been mistaken in the disposition and condition of the person applying, and the Board should deem it wise to remove this applicant from the Home, to conform to the wishes of the Board and take back to our midst the person herein named.

By order of the Presbytery.

GENERAL STATEMENTS.

The purpose for which this Corporation is formed is to receive, hold, convey, and disburse such real and personal property as may be given by will or otherwise to it, or acquired by it in any legitimate way, for the relief and support of disabled ministers and missionaries, and of the needy widows and orphans of deceased ministers and missionaries, or of such other persons as may be dependent upon said ministers and missionaries.

Appropriations from the funds of the Corporation shall be made alone, first, to such ministers as are members in good standing of some Presbytery of the Cumberland Presbyterian Church, they having fully consecrated themselves, since entering said ministry, to the active duties thereof in said Church, and who are not able to support themselves by any suitable vocation of life, and to such missionaries as have been appointed to work in Home or Foreign fields by the recognized authorities of said Cumberland Presbyterian Church, and who have faithfully discharged the duties assigned them during the time of their appointment, and who are not able to support themselves by any suitable vocation in life; and, second, that so far as may be consistent with the wants of disabled ministers and missionaries, the Board may also furnish aid to the widows and orphans of ministers and missionaries aforesaid, and to such other person or persons as may be, or may have been, dependent upon said ministers and missionaries.

RULES FOR DISBURSING FUNDS.

Appropriations for the widows and orphans of deceased ministers must be made on the recommendation of the Presbytery to which said minister belonged at the time of his death or of a standing committee of that Presbytery. Appropriations for missionaries who are not ministers, or for those who are, or have been, dependent upon such missionaries, shall be made on the recommendation of the Board by which such missionaries were, or may be, employed.

2. Appropriations are made for one year or less, except when otherwise ordered; and if aid is continued, the recommendations must be renewed from year to year.

IV.—EDUCATION.

REPORT OF THE BOARD OF EDUCATION.

To the General Assembly of the Cumberland Presbyterian Church, in session at Memphis, Tennessee:

REVEREND AND DEAR BRETHREN: With gratitude to God for his goodness and mercies during the past year, we present to you our Eleventh Annual Report.

Since your last meeting the Board has suffered a severe loss in the death of Rev. J. W. Fitzgerald, one of its most valued members, a man of keen insight, sound judgment, wide acquaintance with our actual needs, and of large sympathy for our struggling candidates. The vacancy occasioned by his death has been filled by the election of Mr. J. A. Cartwright, a ruling elder in the First Church of Nashville and an active lawyer who stands well in his profession, and we ask your ratification of this choice.

At our regular annual meeting in April the Rev. J. M. Hubbert was re-elected President, and Rev. J. R. Henry was re-elected Secretary and Treasurer for the ensuing twelve months.

The tabulated receipts submitted herewith show our income for the past year. Two months ago our Secretary and Treasurer was taken violently ill in Jackson, Tenn., where he has since lingered, unable to give the work of the Board any attention whatever. During this time T. M. Hurst, a member of the Board, has filled this temporary vacancy without compensation. No one but the Secretary and Treasurer being perfectly familiar with the details of the Board's work, possibly inaccuracies may be found in this report. Should such be the case, interested brethren will understand that they come from unavoidable circumstances, and be assured that they need only write to Rev. J. R. Henry in order to have every thing made satisfactory.

During the year we have aided ninety-nine candidates, but the calls made upon us by deserving young men have been far in excess of our ability to help. When we look at the vacant Churches reported in your Minutes from year to year, when we see our Churches multiplying at a rapid rate, and remember that the graduates from our theological school are but few, and when we hear the cry that comes up on every hand for workers, we must feel the importance of the work of this Board. In large measure the life and the future success of the Church depend upon the educational efforts we shall put forth just now. If our people will study the figures shown in this report, they will find facts more significant than would be any comments of ours. Each one should turn to the list of contributions, and with the figures before him consider whether his congregation and Presbytery have done their duty.

We recommend that you direct your Presbyteries to adopt the plan of calling upon each Church, once a year, to make a report as to the amount contributed for ministerial education.

We recommend that you emphasize to your Presbyteries and congregations the importance of praying for an increase in the number of laborers, and that you urge parents, pastors, and teachers to be watchful to find young men for this special service of the Master, after the pattern of the Scriptures.

We ask that you continue to urge the Presbyteries to use caution and discrimination as to the character of young men introduced into the ministry and in commending candidates to this Board for help.

Your Board is unanimously of the opinion that you should direct such amendment in the charter as will give to the General Assembly the power of electing persons to membership in the Board instead of leaving this franchise with the Board itself, as at present. In case this is deemed wise, then we suggest that you order that there shall be nine members in the Board, and that the regular term of service shall be three years.

The permanent fund of this Board now amounts to \$2,803, comprising bequests, funds held in trust, and loans returned by students aided. Only the interest on this fund is used in our work.

On account of the continued sickness of our Secretary and Treasurer, and the lack of familiarity with the details of our books on the part of the acting secretary, we ask permission to verify the statement here made touching receipts and disbursements for the past year before this report appears in your Minutes.

REPORT OF TRUSTEES OF CUMBERLAND UNIVERSITY.

To the General Assembly of the Cumberland Presbyterian Church, in session at Memphis, Tennessee:

The Trustees of Cumberland University submit to your reverend body the following report for the year ending June 2, 1892:

Since the date of our last report a vacancy has occurred in the Board of Trustees by reason of the death of our beloved brother, Rev. J. W. Fitzgerald. He was a devoted friend of the University and of all its interests, and for many years had been a faithful and efficient member of our body. His loss has been seriously felt and greatly lamented. No one has yet been selected as his successor.

The Faculty of the University has continued without change during the college year.

Rev. C. H. Bell, D.D., and Rev. J. M. Hubbert have made their accustomed visits to the Theological Department during the past winter and spring, and have each delivered a course of lectures to the students; the first named on Missions and Homiletics, covering a period of nine weeks, and the latter on Pastoral Work, covering a period of about two weeks. The lectures of these brethren were and are always highly entertaining and instructive, and should prove greatly beneficial to the young gentlemen of the Seminary who are permitted to enjoy them. The resident Faculty, also, of this department, as well as the Faculties of all other departments of the University, have given throughout the college year unremitting labor to the duties of their several places, and the Board is fully authorized to say their work has been faithfully and thoroughly well done.

The forthcoming Catalogue will show the aggregate of students of all departments for the year to be three hundred and one, which is an increase of about ten per cent above the report for last year. There has occurred a marked increase in the number of Preparatory and Law students, while a slight decrease appears in the number of Academic and Theological students. The number of Divinity students for the year is thirty-three, and as compared with thirty-six for last year, shows a loss of three. The whole number of students who are candidates for the ministry, including those exclusively in the Theological School is sixty-eight, which, compared with seventy-five for last year, shows a total falling off of seven for this class of students.

The University graduating classes for this year will be as follows: from the Theological Department, fourteen; from the Academic Department, thirteen; and from the Law Department, fifty-two—in all, seventy-nine.

The productive endowment of the Theological Department is \$58,156. This shows a net increase above last report of \$2,386, all of which, or very nearly all, is the immediate fruit of the work of Rev. J. S. Grider as Endowment Agent. In addition to this the Treasurer has in his hands notes procured by the Agent amounting to \$9,200, and to a great extent as a further fruit of his work, the Treasurer estimates outstanding legacies in favor of the Trustees, where the testators have died, at not less than \$30,000. The immediate collection of these legacies is retarded in most cases by reason of outstanding estates in favor of third parties, and in others by the law's delay. A detailed statement of the work of the Endowment Agent will reach your reverend body through the report of Dr. Grider, and for this reason it is not considered important to make any further remark on the current work of endowment.

Altogether the closing college year has been one of encouragement, and although it is perhaps true that in the matter of endowment something better might have been done, yet there is great satisfaction in knowing that we have not gone backward, nor even stood still, but taken another short step forward. We have now an income sufficient for the comfortable support of the three Theological Professors, and this is so much better than it used to be that we have not the heart to complain, but rather the spirit of sincere thankfulness to God.

Respectfully submitted.

ANDREW B. MARTIN,

President Board of Trustees of Cumberland University.

A. F. CLAYWELL,

Secretary Board of Trustees of Cumberland University.

INTER-COLLEGE ASSOCIATION.

To the General Assembly of the Cumberland Presbyterian Church, Memphis, Tenn.:

FATHERS AND BRETHREN:—At the suggestion of Chancellor Green, of Cumberland University, the representatives of several educational institutions of the Cumberland Presbyterian Church assembled in Lebanon, Tenn., June, 1891. There were present Chancellor Green, of Cumberland University; President Turner, of Lincoln University; Professor Johnson, of Trinity University; Professor Goldsby, of Bethel College, and President Black, of Missouri Valley College.

After a full and frank conference upon the subject—the possible ends to be reached and the possible methods of attaining them—it was unanimously agreed to organize a Cumberland Presbyterian Inter-College Association, with social and advisory powers. The following is the Constitution as at present agreed upon:

PREAMBLE.

“We, the representatives of the faculties of Cumberland University, Lincoln University, Trinity University, Bethel College, and Missouri Valley College, in order to associate so as to promote the harmonious co-operation of the institutions we represent, and for the purposes of advisory counsel and fraternal intercourse, do adopt the following

CONSTITUTION.

ARTICLE I.

The name of this Association shall be, “The Cumberland Presbyterian Inter-College Association.”

ARTICLE II.

The object of this Association shall be distinctively social and advisory—(1) Social, in order to promote mutual acquaintance and good fellowship; and (2) Advisory, in order to take counsel concerning the administration and discipline in colleges, concerning the ends and methods of instruction, concerning the value and requirements of literary degrees, and concerning the *curricula* and organization of the various departments and schools of College and University work.

ARTICLE III.

SECTION 1. The membership of this Association shall consist of the Chancellor of Cumberland University, the President of Lincoln University, the President of Trinity University, the President of Bethel College, and the President of Missouri Valley College, together with the chief executives of such other educational institutions of the Cumberland Presbyterian Church as may be elected by the Association, provided no such officer shall be eligible to membership unless the requirements for admission to the freshman class in the institution he represents are equivalent to the requirements for admission to the freshman class of Cumberland University.

SEC. 2. In case any executive of any institution represented in the membership of the Association can not attend the meetings of the same, it is hereby provided that any member of the faculty of such institution whom the executive may select, or whom the faculty may select at his suggestion, or (in case of a vacancy in this office) whom the faculty may nominate on its own motion, may attend the meetings of the Association, and enjoy all the privileges and be subject to all the duties of a member thereof.

ARTICLE IV.

The officers of this Association shall be a President, a Vice-president, a Secretary, and a Treasurer, the duties of each being those customarily performed by such officers.

ARTICLE V.

The meetings of this Association shall be held at such places and at such times as the Association in regular session may determine, or the President, with the approval of three members, may call a special meeting at any time and place.

ARTICLE VI.

The programme of the literary and social exercises of the Association shall be arranged by the Faculty of the institution at whose seat the meeting is held, provided always, that the local plan of entertainment shall set apart at least three hours for a private meeting of the Association.

ARTICLE VII.

The articles of this Constitution may be amended at any meeting of the Association.

It is believed by those who have entered into this Association that great good can be accomplished through it—

1. It will promote good fellowship among the colleges.
2. It will contribute to a better understanding of the aims and methods of each institution and facilitate a more hearty co-operation.
3. It will enable our institutions of learning to agree upon common standards as to the value of all bachelor degrees.
4. It will furnish an opportunity for friendly counsel concerning the distribution of post-graduate and honorary degrees.

These ends alone will justify the existence of the organization.

The foregoing is submitted for your information. The object of this memorial is twofold—

1. To solicit the approval of the Association by your venerable body.
2. To ask you to recommend all the educational institutions represented in the Association to make annual reports to the General Assembly through the Secretary of the Cumberland Presbyterian Inter-College Association.

It is believed that this second item is of vast importance to both the General Assembly and to our institutions. (1) It will insure an intelligent plan of statistical information. (2) It will make somebody responsible for collecting the necessary educational data. (3) It will put the General Assembly's Committee on Education in possession of invaluable material for framing its report, and thereby (4) create the conditions for more thoroughly indoctrinating the Church in the aims, methods, and results of its educational enterprises.

WILLIAM HENRY BLACK, *for the Association.*

V.—CORRESPONDENCE.

PAN-PRESBYTERIAL ALLIANCE.

To the General Assembly of the Cumberland Presbyterian Church :

HONORED BRETHREN: In behalf of the Western Section of the "Alliance of the Reformed Churches throughout the World Holding the Presbyterian System," we beg leave to present to you in brief form a report of the work for the year ending May 1, 1892. The meetings of the Commission were held at Toronto, Canada, October, 1891, and in the city of New York in April, 1892. The sessions were of decided interest, and were characterized by a spirit of unity and hope. We thankfully draw attention to the fact that there are in all our Reformed and Presbyterian Churches evidences of the growing recognition of their maintenance of a common faith and engagement in a common work. In the United States this tendency is shown by the movement toward a federal union on the part of the Reformed (Dutch) Church in America and the Reformed (German) Church in the United States. A federation has also been proposed of all the Presbyterian Churches in the country by a committee of the General Assembly of the Presbyterian Church in the United States of America. These movements, though not direct, are yet indirect results of the work of the Alliance. Fuller knowledge of one another's views, methods, and spirit must inevitably lead to a fuller realization in practice of the motto of the Alliance, "Co-operation without incorporation."

On the European Continent the General Secretary reports many encouraging signs of progress, and the Western Section of the Commission are glad to state that the financial aid given through the Committees on Work on the European Continent to the Bohemian Churches has been of great value. It is also noteworthy that the youngest Presbyterian Church in the world, the Free Church of Italy, has been accorded full recognition by the Italian government. In other lands also the outlook is hopeful for the future.

Two important matters in connection with the Alliance need your kind attention. The first is the approaching meeting of the Fifth General Council at Toronto, Canada, September 21-30, 1892. In this gathering it is expected that more than sixty Reformed and Presbyterian denominations and Churches in all parts of the world will be represented by delegates. Large and generous preparations have been made by the Presbyterians of Toronto for the entertainment of the Council, the arrangements being in charge of a committee having Rev. Prin. William Caven, D.D., as chairman or convener. It is sincerely hoped that if provision has not already been made for the representation of your Church in this General Council steps will be promptly taken at your approaching meeting for the appointment of delegates. The basis of representation is as follows:

"For each hundred congregations or less, two delegates up to one thousand congregations; above one thousand congregations, one delegate for each additional one hundred up to two thousand congregations; above two thousand congregations, one delegate for each additional two hundred and fifty congregations."

The second matter is financial in its nature. The basis of the pecuniary support of the work of the Alliance is at present one determined by the representation accorded the several Churches in the General Assembly. The salary of the General Secretary and other annual necessary expenses must be met in some manner, and have been distributed, therefore, *pro rata*, on the basis named. The existing plan of expenditure began

with the 1st of November, 1888, the date the General Secretary, the Rev. George D. Mathews, D.D., formally assumed duty. This present year is the fourth for whose expenses apportionments have been made. The sum annually expected from your Church is \$495, or for the four years ending November 1, 1892, a total of \$1,980. Of this sum up to the present date a part has been paid. Will you kindly provide for the payment of the remainder of this apportionment, and so enable the Executive Commission to discharge all the pecuniary obligations which it has assumed?

The committee would also commend to you and to other Christian Churches in the United States the work of evangelization progressing so auspiciously in France under the care of the French Reformed Churches, and express the hope that its representative, the Rev. Prof. Bertrand, will be most cordially welcomed and will be enabled to return to his native land bearing with him gifts for the encouragement of his brethren.

Tendering to you our Christian salutations and our best wishes for the prosperity of the work of Christ in your midst as a Church, and through you in all lands, we remain

Fraternally yours,

TALBOT W. CHAMBERS, *Chairman*,
WM. HENRY ROBERTS, *Secretary*.

Cincinnati, Ohio, May 2, 1892.

[There is certainly a mistake or a misunderstanding in regard to the amount of assessment upon the Cumberland Presbyterian Church. Dr. W. J. Darby, a member of the committee, thinks that the sum agreed upon is \$325 per annum.—T. C. B., S. C.]

VI.—REPORT OF THE BOARD OF TRUSTEES.

To the General Assembly of the Cumberland Presbyterian Church to meet in the city of Memphis, Tenn., May 19, 1892 :

Your Trustees hereby submit their Annual Report to your reverend body, as follows :

1. That no estates or funds of any kind have come into our hands since our last annual report.

2. That the Doherty Fund is invested as follows, as shown by the Treasurer's report, which is herewith submitted as a part of this report. The interest on said fund has been collected and paid to the Treasurer of the Board of Trustees of Cumberland University.

3. During the past fall and winter the Secretary of this Board has had a correspondence with Rev. L. G. Simpson in regard to certain Church property in the city of Nevada, Mo. The correspondence aforesaid has been so very unsatisfactory that we have taken no steps looking to a disposition of said property as contemplated by your order, made at last meeting of the General Assembly (see Minutes, page 22). We were directed by the General Assembly, in session at Owensboro, Ky., in May, 1891, to investigate and determine whether we have power, under the terms of conveyance of said property, to sell and convey it, and if we should find that we have the power to sell and convey, then and in that event, to sell and convey it upon the best terms obtainable; first, however, securing the written consent of the surviving members of said congregation remaining within its bounds. We have not been able to obtain a copy of the deed conveying said property to us, nor have we ascertained fully the names of all the surviving members of said congregation. To do this at our distance from said property would be troublesome and expensive, and we most respectfully suggest that you intrust this work in the hands of a committee nearer the site of the property.

4. Mrs. R. L. Ross, of Meridian, Miss., has sent us a copy of the will of her husband, Rev. R. L. Ross, deceased, which contains, among other things, the following clause, to wit: "I make Talitha Ross the sole heir to my estate, real, and personal, and that she be not required to give bond; that I appoint her sole executrix at my death, desiring that she may assist the Cumberland Presbyterian Church in her work of benevolence and usefulness, as God in his providence may prosper her, and at the close of her life make that Church her heir."

We are inclined to construe this clause as giving his wife, Mrs. Ross, a life interest, or estate, and the remainder to the Cumberland Presbyterian Church; but this construction is not free from doubt.

Mrs. Ross wishes to sell and convey some of the real estate, and fearing that the courts may put this construction upon this clause, her vendees are afraid to take the title unless and until this Board shall have relinquished all claim thereto. Her husband was a devoted and useful minister in our Church, and no doubt intended to leave his estate at the absolute disposition of his wife. Yet we do not feel fully authorized to act in the premises without your order. Therefore we respectfully ask that you authorize us to convey to Mrs. R. L. Ross all the Church's interest in her husband's estate, absolutely, or upon such conditions as the General Assembly may deem best.

5. In the discharge of our duties as Trustees it is frequently necessary to incur expenses of various kinds, and we respectfully ask the General Assembly to allow us to provide for and be ready to meet such necessary expenses by retaining from the first moneys that come into our hands, not dedicated to a special purpose, such a fund as may be reasonably necessary for this purpose.

Respectfully, etc.

TREASURER'S REPORT.

To the Trustees of the General Assembly of the Cumberland Presbyterian Church:

As Treasurer I respectfully submit the following report, to wit:

I hold an account of the Doherty Fund bonds, securities, and cash, as follows, to wit:

One New Allen County Funded Bond No. 3.....	\$ 500 00
One New Allen County Funded Bond No. 54.....	500 00
One New Allen County Funded Bond No. 64.....	500 00
One New Allen County Funded Bond No. 65.....	500 00
One New Allen County Funded Bond No. 377.....	100 00
New Lyon County Funded Bond.....	700 00
Total.....	\$3,100 00

I have recently sold other securities held by me and now have the following amounts on hand in cash, to wit:

In my possession.....	\$1,000 00
To my credit in Louisville.....	6,000 00
Total.....	\$7,000 00

This sum of seven thousand dollars I propose to invest at once in new six per cent Taylor County Funded Bonds if to be had on reasonable terms, and if not in new six per cent Allen County Funded Bonds bearing the same rate of interest. And for this purpose I have placed six thousand dollars in the hands of a broker in Louisville, Ky., who now has them with my instructions to invest them as soon as possible in New Taylor County Funded Bonds, as aforesaid.

All of the aforesaid Bonds bear interest at the rate of six per cent per annum payable semi-annually, and are, in my judgment and opinion, safe and suitable for the investment aforesaid.

RECAPITULATION.

New Allen County Bonds.....	\$ 2,100 00
New Taylor County Bonds.....	300 00
New Lyon County Bonds.....	700 00
Cash on hand as aforesaid.....	7,000 00
Total.....	\$10,000 00

The interest on said Fund has been paid by me annually as directed by the General Assembly.

All of which is respectfully submitted.

W. L. REEVES, *Treasurer.*

EXPLANATORY NOTE.

The following Statistical Tables are not as full as they should be, nor are they, as a whole, entirely accurate. The columns which show the contributions made to the several Boards of the Church can be relied upon, for the figures in said columns were obtained from the reports of these Boards to the General Assembly. In almost every case the footings in those columns were found to be correct. In a few of them, however, there were slight inaccuracies in the additions; but the errors were too insignificant to justify any alterations in the figures.

The greatest defect in these Tables is seen in the column marked "Total Membership." In quite a number of the Reports of Stated Clerks of Presbyteries the membership is diminished; and this decrease, too, is reported in despite of the fact that the column marked "Additions for the Year" shows a very large increase! The reason assigned by Stated Clerks for this inconsistency is that Clerks of Church Sessions will not report "all on Church roll"—will simply give the number of *efficient* members, because they are unwilling to have their congregations "taxed" in proportion to the entire membership. But while this is the case, and while the "total membership" column will make an exhibit of members below what they really should be, yet it is a fact that the denomination, not only in membership, but in all the essential elements of prosperity, is moving grandly forward—has just closed one of the most successful years in its whole past history.

These Statistical Tables not only give an insight into the doings of each congregation, but they likewise afford a true index in regard to the efficiency of Stated Clerks and of Clerks of Church Sessions. Presbyteries, by examining the same, can form quite an accurate idea as to the fidelity of these officials. If the work is not satisfactory, the remedy is in their own hands. (See Minutes of 1889, page 52.)

The number of congregations will apparently be considerably increased; but to a great extent this arises from the fact that, in some cases, our Boards give credit to the names of the *post-offices* at which the letters containing remittances were mailed instead of to the *congregations* which contributed the funds. As will be seen, the congregations given by Stated Clerks of Presbyteries are numbered, and the places not thus given have no figures before them. This plan was adopted for two reasons: first, Stated Clerks are presumed to know the congregations in their respective bounds; second, if this had not been done, the whole plan devised for ascertaining the Superintendents of Sunday-schools for specific Churches would have been thwarted. As it is, the name of the Superintendent of the Sunday-school of any particular congregation is known by the *number* which stands before that name—his number and that of the congregation in which he is Superintendent being the same.

The column, "Total Amount Contributed," no doubt contains a number of errors, owing to the fact that Stated Clerks of Presbyteries failed, in many cases, to use the decimal point dividing dollars and cents, when no doubt it should have been used.

In a number of instances Stated Clerks of Presbyteries did not "estimate" for congregations not reporting, but in such cases they authorized the *sum totals* that are seen in the proper columns relative to Church membership.

GENERAL SUMMARY.

The reports from Stated Clerks of Presbyteries show that 162 ministers bore letters of dismissal and recommendation at the time said reports were forwarded. Only a small number of these had had time to join other Presbyteries when the reports were made out. Still, only one half of the number has been added to the list of ordained ministers. Several were stricken from the roll who did not bear letters of dismissal. This was caused, no doubt, from inaccuracies of Stated Clerks of Presbyteries. There are, no doubt, at least 1,700 ordained ministers. The increase in the membership is by no means equal to the "number added" during the year. This matter, however, is fully explained on page 170. On subsequent pages a General Summary of Statistics will be found. Some of these items may differ slightly from those in the tabulated statistics of Presbyteries beginning on page 172 and ending on page 287. These slight changes, however, were authorized by Stated Clerks of Presbyteries. The columns containing the contributions made to our various Church Boards are believed to be accurate, for they were obtained from the reports of the Boards, and great care was taken to have them correct.

The columns, "Value of Church Property" and "Amount Paid Pastor and Supplies," are defective, as will be seen by inspection; for in many cases these columns are blank. The truth is, if facts could be obtained, both of these columns would be greatly enlarged in the aggregate.

On next page, by order of the General Assembly, the statistics of the Cumberland Presbyterian Church, Colored, will be found. This organization is separate and distinct from the Cumberland Presbyterian Church, hence its statistics have never been made a part of said Church. If the Cumberland Presbyterian Church were to add such statistics, as all other denominations do, the total membership would be fully 185,000—a Presbyterian membership second only to that of the Presbyterian Church in the United States of America (the Presbyterian Church, North), and second in the great family of Presbyterian Churches throughout the world. Its ministry, too (ordained preachers, licentiates, and candidates), would occupy the same position in respect to numbers. Indeed, such is the case anyway in regard to this last item, without the additions.

As will be seen, all the Boards of the Church are doing fine work, and never before was the outlook in general Church work more encouraging. In brief, the entire denomination, year by year, is becoming more coherent, aggressive, and efficient.

Statistics of the Cumberland Presbyterian Church, Colored.

The General Assembly of 1886 directed the Stated Clerk to embody in the Minutes the statistics, in brief, of the Cumberland Presbyterian Church, Colored. From the most reliable information at hand the following, it is believed, is a close approximation: Ordained ministers, 200; licentiates, 175; candidates, 190; Presbyteries, 22; Synods, 5; General Assembly, 1; and communicants, 15,000.

REMARKS.—After much labor and care, the present report on the Sunday-school Statistics of our Church may be safely regarded as more nearly approximating correctness and fullness than any statement ever hitherto published. The number of items reported upon, the degree of exactness with which the details have been brought into order, the fuller showing in many instances, especially as to the number of Cumberland Presbyterian Sunday-schools, the number of officers, teachers, and scholars, the number of schools called "perpetual"—that is, schools continuing all year—and the fact of securing some report from nearly all the Presbyteries by one means or other, enable the Church to get here a fair answer to the question often asked, How many persons are there in the Sunday-schools of our Church? The very large body of this table is from the reports of Presbyterian Secretaries for this year, aggregating eighty thousand. For 1892 I received no reports from Bacon, Chickasaw, Chillicothe, Corsicana, East Tennessee, Eden, Knoxville, Marshall, Melin, Miami, Springfield, Springville, Talladega, Talladega, Union, and Waco. In order to present a fair statement of our Sunday-school strength, I have repeated their last year's figures, on the supposition that they had lost nothing since the figures of the Stated Clerk of the General Assembly from his column of 1892, and to get still nearer to a complete total enrollment, I have placed in the proper column the figures of our Sunday-school strength, I have "Sunday-school Members (Teachers and Scholars)," from Anderson, McCreedy, New Hope, Nolm (1891), Oregon, Ouachita, Republican Valley, Sparta (1891), and Wichita Presbyteries. This added something more than six thousand persons. The reason why this was done is that I had no reports from these Presbyteries for either 1891 or 1892, except from one school in McCreedy Presbytery. It is proper to say that Dr. Blake makes no request for the number of schools, officers, teachers, and scholars separately, and this, with lack of fullness in some of the reports I received, accounts for the difference between total of officers, teachers, and scholars, and the total enrollment in our schools. It will be seen that the advance in reports over 1890 and 1891 is very decided and encouraging. From Florida, Groer County, and John Buchanan Presbyteries neither Dr. Blake nor I had any report. I am satisfied that perfectly complete figures would place our statistics beyond one hundred thousand.

M. B. DE WITT, *General Superintendent.*

By a standing order of the General Assembly the Stated Clerk is directed to close the year the first day of May. The foregoing, therefore, shows the financial standing of each Presbytery on May 1, 1892. But all Presbyteries which have paid their dues since that time (and a number have done so) will receive the Minutes for this year. The reception of the Minutes is evidence of the adjustment of Contingent Tax.

T. C. BLAKE, Stated Clerk.

INSTRUCTIONS TO STATED CLERKS.

- (1) Do not write a line until you have all your matter prepared.
- (2) Write with pen and ink, and write plainly. Do not use *pale* ink.
- (3) Arrange names of Ministers, Licentiates, and Candidates *alphabetically*. Do not forget this.
- (4) When you get to the "Statistical and Financial" page or pages, do not fail to arrange names of *Congregations* alphabetically. THIS MUST BE DONE.
- (5) Do not undertake to fill the columns set apart for the several Boards of the Church. Leave those *blank* in your report, for they will have to be filled out from data furnished by the Boards themselves. The Stated Clerk of the General Assembly will look after those columns.
- (6) Insert dollars and cents in column "*Children's Day Collections*" and in column "Dues to Presbytery." Do not put cents in any other column.
- (7) Add the figures in all the columns on "Statistical and Financial" page or pages (except column 5) and *verify* the same. This *must* be done by you, or you *must* get a competent accountant to do it. All the Presbyterial bodies in the land require this of Stated Clerks of Presbyteries. Do not send your report until this has been done.
- (8) In the column "Total Contributions," put figures in *pencil* marks, for the Stated Clerk of the General Assembly will have to add to them the contributions from the several Boards. By putting that column in *pencil* marks the figures can be erased. Please do not overlook this request.
- (9) Send list of Commissioners as soon as they are elected, and send it in a small envelope *not* in the large one which you will find inclosed, for it is for you to use in sending your report.
- (10) Send Contingent Tax as soon as you collect it. Let it reach me before May 1, or your Presbytery will be reported delinquent. The "tax" is \$2.00 on each *ordained* minister. (See Minutes, 1890. page 36.)
- (11) If a Church is without a preacher, write the letter V after the name of the congregation, and if it has done nothing, let its name stand opposite *blank* columns. But by all means report name and address of Clerk of Session, *number of members* and all else you may know.
- (12) Persist in your efforts until you get a report from each congregation. If necessary you can withhold your report until May 10. But if you can get it ready earlier, do not fail to send it as soon as it is completed.
- (13) You will see that by this new method of obtaining statistics, ordered by the General Assembly, *your* labors are greatly increased, and those of the Stated Clerk of that body are increased more than a hundredfold. You will also see that unless your Presbytery is reported it will appear in the Minutes simply as a *blank*. There is no help for such an exhibit, according to the "new form."
- (14) Finally. Your heaviest labor will be the *first* year, for when you once get the names of your *congregations* alphabetically arranged and those of your *Sunday-school Superintendents* arranged as required on the last page of Presbyterial blanks, you can get the same the *next* year, with a few alterations, from the Minutes of the General Assembly.
